Paul

Dear General Fontana:

It was a pleasure to talk with you last week during my visit to Iwakuni. I was impressed with the program prepared for me by your staff and considered the briefings and tours well planned and informative.

I enjoyed the luncheon, where I had the opportunity to exchange views with some of your officers. I would be grateful if you would extend my appreciation to all who participated in making my visit to Iwakuni an interesting as well as enjoyable one.

With kindest regards.

Sincerely,

Paul
