Messrs. Cooper & Whedbee, L. C.,

Gentlemen:

Please note enclosed copy of Mr. Thos. W. Davis' letter to us of the 8th inst., in reference to your bill for services and expenses, which has been approved for \$448.26 and sent on for voucher.

You will observe that the usual practice of the company is not to pay fees until the case is finally disposed of, and accordingly, the fee of \$50.00 for filing answer in the Whitehurst case was stricken out.

Also please note the enclose copy of Mr. Davis' circular #58, relating to monthly bills. Kindly observe the same hereafter.

Yours very truly,

ADM/S
