Dear Sir:-

When your shipping season of new potatoes, cabbage, to-
matoes, etc., opens up, please keep us posted by wire and also
letter your lowest prices on mixed and solid cars of the above
articles, and also let us hear from you in regard to the prospects
of the crop in your section of the country, and if you intend to
ship and will be in the watermelon and cantaloupe business this
year.

A prompt reply as requested will greatly oblige,

Yours truly,
