Dear Sir

This morning we have a
Bill Lading from Messrs Myers for 50 Bbls
Tobacco shipped on the Gen M. L. Wedmore,
perhaps this is the 50 Bbls alluded to in
your late letter, as Messrs Myers say it is the
first chance they have had in a long
time to ship, freight now being very
scarce, Tobacco is in good demand
at this time, being a fluctuating
article we can't say what it may
be a week hence, if you can send
Tobacco in known Bbls it is a desirable
way to ship it.

Yr truly
A. T. Bruce & Co.
