FACULTY CONSTITUTION OF EAST CAROLINA UNIVERSITY

I. Purpose

The purpose of the faculty organization shall be to provide the means by which the faculty is enabled to fulfill its function with respect to academic and educational policies and other affairs of East Carolina University. The faculty organization shall be comprised of the general faculty and the Faculty Senate. The general faculty shall be the general electorate, and the Faculty Senate shall be a legislative and advisory body representing the general faculty and shall consist of elected and ex-officio members. The functions, duties, and privileges of these two bodies, stipulated in the following document, shall be exercised under the authority of the Chancellor of East Carolina University.

The Faculty Senate and the various committees on which the faculty serve shall be the primary media for the essential joint effort of faculty and administration in the government of East Carolina University. The Chancellor and the Chair of the Faculty shall facilitate communication which will enable continuing and effective faculty participation.

II. Organization of the General Faculty

The general faculty shall consist of all full-time members of the teaching, research, or administrative staff who hold an academic title, including those on special faculty appointment.

The general faculty shall have as its presiding officer the Chair of the Faculty, who shall be responsible for calling its meetings and for keeping a record of its proceedings. The presence of a majority of the members shall constitute a quorum, except in special cases provided for in this constitution. Each member of the general faculty shall have one vote. A vote by voice will be the regular method of voting on any motion that does not require more than a majority vote for its adoption. Upon the request of ten percent of those present, a secret ballot will be in order.

III. Functions of the General Faculty

The general faculty shall be empowered to perform the following functions: consider reports from and make recommendations to the Chancellor, the appropriate vice chancellor, and the Faculty Senate; discuss any matter relating to the welfare of East Carolina University or of the members thereof; amend or rescind the articles establishing the Faculty Senate as provided for in this constitution; amend or rescind the action of the Faculty Senate as provided for in this constitution.

IV. Meetings of the General Faculty

The general faculty shall meet at the pleasure of the Chancellor or the Faculty Senate of East Carolina University or upon petition to the Chancellor by at least fifteen percent of the general faculty.

V. Academic Units

The academic units shall be organized into autonomous code units according to guidelines approved by the Faculty Senate and the Chancellor. Except for the academic libraries, each code unit shall be responsible for at least one degree program.

VI. Organization of the Faculty Senate

Electoral units for the Faculty Senate shall be the academic code units. All full-time faculty members of East Carolina University are eligible to vote for faculty senators. All full-time faculty members of East Carolina University in at least their second year of appointment to the electoral unit which they will represent are eligible for election to the Faculty Senate. The membership of the Faculty Senate shall consist of elected representatives and of ex-officio members.

The number of elected faculty senators shall not exceed 58 nor be fewer than 52. Prior to the election in February of each academic year, the ratio of faculty members to elected faculty senators will be determined by the Chair of the Faculty, Vice Chair of the Faculty, and the Secretary of the Faculty. The number of faculty within each department/school/college will be gathered from part of a personnel data file that is prepared and submitted to the UNC General Administration by the Office of Institutional Planning, Research, and Effectiveness in January of each year.

Faculty members included in the University's annual personnel data report who satisfy all of the following criteria shall be counted in determining the number of each electoral unit's faculty senators: (1) currently employed (as of the date of the report), (2) permanent employee (including those on leave with or without pay), (3) EPA employee, (4) full time employee, (5) included in the occupational activity categories of 10 (executive, administrative and managerial) or 20 (instructional faculty), (6)

holding a professorial rank or title (modified or unmodified) of instructor, assistant professor, associate professor, or professor. Faculty members meeting these criteria will be counted as belonging to their department/school/college of rank (not home department) where these two differ.

When a faculty member's department of rank is part of a professional school or college, and the school or college is the recognized electoral unit, the faculty member will, for purposes of Faculty Senate representation, be counted as a member of the school or college which is his or her electoral unit.

Each electoral unit represented will then be informed as to the number of elected faculty senators to which that electoral unit is entitled. No electoral unit will be allocated more than 15 percent of the elected Faculty Senate members. Electoral units for the purpose of this constitution shall be the various professional schools and colleges, Academic Library Services, Health Sciences Library, and the departments of the College of Arts and Sciences. In the event that an electoral unit must reduce its existing number of faculty senators, it shall do so by following democratic procedures.

Each department of the College of Arts and Sciences shall have at least one elected faculty senator and will elect its faculty senator as an electoral unit. The various professional schools and colleges, Academic Library Services, and the Health Sciences Library will have at least one elected Faculty Senator. Each department/school/college may choose to elect its senators from the department/school/college as a whole or in the alternate manner described as follows. Each department within the school/college shall be allowed to nominate the number (less the number whose terms are not expired) to which it would be entitled if it were considered as a separate electoral unit. The persons nominated by each department shall be placed on a ballot for the election of the number allotted to the electoral unit by the faculty of the electoral unit.

The count of faculty members for the purpose of apportionment shall include those members who are absent from the campus because of illness or leave of absence, unless replaced by a full-time instructor or above under annual contract.

The ex-officio members of the Faculty Senate shall include the following representatives of the East Carolina University administration: Chancellor, Provost/Vice Chancellor for Academic Affairs, Vice Chancellor for Health Sciences, Vice Chancellor for Research and Graduate Studies, and an academic dean elected by the Chancellor's Cabinet in a manner determined by the Cabinet. The immediate past Chair of the Faculty and the elected representatives of East Carolina University to the Faculty Assembly of the University of North Carolina, **including elected Faculty Assembly officers**, who are not members of the Faculty Senate shall also be ex-officio members. These ex-officio members shall have a vote in all Senate matters except the election of officers and committee members.

VII. Method of Election of the Faculty Senate

The Secretary of the Faculty shall request that each electoral unit proceed to elect its representatives. Elections shall be held in February of each year with members-elect to take office on the day following the last regular meeting of the Faculty Senate in the spring semester.

To obtain nominations, each department/school/college shall develop a ballot that lists every eligible member of that department/school/college. Each member of the faculty shall vote by secret ballot for twice as many nominees as that faculty member's department/school/college is entitled to elect. That group of nominees equal to twice the number of representatives to be elected that receive the largest number of votes shall then be placed on a separate ballot for the election of representatives. An alternate method of nominating Senators by the schools is found in Section VI.

To elect representatives each faculty member shall then vote by secret ballot for the number of representatives allotted that electoral unit. Votes shall be counted in accordance with procedures agreed upon by the electoral unit.

The administrative officer of each electoral unit shall report the results of the election to the Secretary of the Faculty.

Each senator shall serve a two-year term. Senators may be elected to succeed themselves twice. After a lapse of one year following the expiration of this third term, they will again be eligible for election. The seat of an elected senator who fails to attend more than three consecutively held meetings of the Faculty Senate shall be declared vacated by the Chair of the Faculty. If a senator is awarded a research or medical leave and an alternate senator attends in his or her place, the three consecutive meeting rule will not be invoked. (Faculty Senate Resolution #09-06)

Each electoral unit concerned shall hold special elections to fill unexpired or vacated terms. The Senate may establish and promulgate procedures for selecting alternates for elected and ex-officio members. The administrative office of each electoral unit so affected shall certify to the Secretary of the Faculty the credentials of individuals thus elected.

VIII. Officers of the Faculty and Faculty Senate

The officers of the faculty and Faculty Senate shall consist of the following: the Chair of the Faculty, the Vice Chair of the Faculty, and the Secretary of the Faculty. Other officials may be established as they become advisable or necessary. All officers shall be elected by a majority vote of the elected members of the Faculty Senate present. All full-time, permanently tenured faculty are eligible to serve as Chair or Vice Chair of the Faculty. All full-time faculty members of East Carolina University in at least their second year of appointment are eligible to serve as Secretary of the Faculty. In the event that a Faculty Officer is also a faculty senator, the electoral unit having elected the Senator is invited to elect a replacement. Officers of the Faculty, who are not members of the Faculty Senate will not have a vote, count toward a quorum, or vote and occupy a seat assigned to a Faculty Senator. The term of faculty officers shall be one year with the privilege of reelection.

At the second regular meeting of the spring semester the elected members of the Faculty Senate shall nominate and elect a nominating committee to consist of five members. The nominating committee shall be elected from the ranks of elected members of the Faculty Senate by a majority of those present and voting. Voting for members of the nominating committee shall be by written, secret ballot. The nominating committee elected by the Faculty Senate shall submit to the Secretary of the Faculty a slate of candidates for each office of the Faculty Senate at an organizational meeting to be held on a Tuesday following the last regular meeting of the spring semester but before the beginning of the examination period.

Further nominations, from the ranks of the elected membership and by the elected members, will be accepted from the floor. Officers will be elected by a majority of those present and voting. They shall assume their duties on July 1 following election. If the office of the Chair of the Faculty shall become vacant, the position shall be assumed by the Vice Chair of the Faculty. If other offices shall become vacant, they shall be filled by a special election conducted by the Faculty Senate. Voting for all officers shall be by written, secret ballot.

IX. Duties of the Officers of the Faculty Senate

The Chair of the Faculty shall preside at all meetings. He or she is empowered to call special meetings as hereinafter provided. The Chair is an ex-officio member of all academic committees and various administrative committees. The Chair may delegate to the Vice Chair or an appointed

representative his or her seat on any of the academic or various administrative committees. He or she shall appoint persons to fill unexpired terms of committees.

Before the first regular meeting of the Faculty Senate, the Chair will appoint the Parliamentarian of the Faculty. The Parliamentarian need not be a member of the Faculty Senate, but shall advise the Chair and the faculty on the parliamentary matters according to the latest edition of *Robert's Rules of Order, Newly Revised* and the *Faculty Constitution* and its *By-Laws*.

The Chair of the Faculty supervises the Faculty Senate office personnel, and with their assistance, plans the General Faculty Convocation. The Chair is responsible for conveying greetings of the Faculty at commencement exercises and representing the Faculty at university functions and Board of Trustee meetings. For the length of his/her term as Chair, the Chair of the Faculty serves as a Delegate to the Faculty Assembly (but not exceeding six consecutive years), with duties as a delegate described in the Bylaws of the Faculty Assembly of the University of North Carolina, **and referenced in Part X of the ECU Faculty Manual.**

The Vice Chair of the Faculty shall perform all of the duties of the Chair in the absence or incapacity of the Chair. The Vice Chair of the Faculty shall serve, at the request of the Chair of the Faculty, as the Chair's representative on faculty committees. The Vice Chair of the Faculty shall succeed to the office of Chair of the Faculty in the event that office should become vacant during the term of the incumbent.

The Secretary of the Faculty, with assistance of the office personnel, shall keep accurate minutes of all regular and special meetings, ensure distribution of copies of the minutes to all members of the general faculty, keep an accurate list of membership of the Faculty Senate, keep an accurate record of attendance, inform the Chair of the Faculty when a seat becomes vacant, serve, at the request of the Chair of the Faculty, as the Chair's representative on faculty committees, and perform such other appropriate duties as directed by the Faculty Senate.

X. Meetings of the Faculty Senate

Four regular meetings of the Faculty Senate will be held each fall and spring semester according to a schedule prepared by the Agenda Committee and approved by the Senate in the Fall Semester of the preceding year.

The organizational meeting of the Faculty Senate will be held on a Tuesday following the last regular meeting of the spring semester but before the beginning of the examination period.

Upon written petition of fifteen members of the Faculty Senate, the Chair shall call a special session of the Faculty Senate within four days. In an exceptional situation in which the regular procedures for scheduling a meeting of the Faculty Senate are clearly inadequate and would occasion undue delay, the Chair of the Faculty shall be empowered to call a special session of the Faculty Senate. A notice stating the purpose of the special session shall be distributed to the members of the Faculty Senate and the general faculty twenty-four hours prior to the meeting.

Meetings of the Faculty Senate shall be open to all members of the general public in accordance with the North Carolina Open Meetings Law.

The general faculty shall be informed of the time, place, and agenda of all regular and special meetings.

XI. Functions of the Faculty Senate

The Faculty Senate may, at its own discretion, seek the advice and counsel of any member of the general faculty. In exercising its function the Faculty Senate shall establish whatever procedures are necessary.

The Faculty Senate shall be authorized to set up such committees as are necessary for the performance of its duties.

The legislative powers of the general faculty are delegated to the Faculty Senate and the Faculty Senate shall have the powers of the general faculty, subject to the limitations stated in this constitution, in formulating the policies of East Carolina University.

The Faculty Senate shall ratify, amend, or remand all matters of academic policy or faculty welfare which have been recommended by any standing or special committee of East Carolina University, or initiate any policies in such matters which it deems desirable.

XII. Agenda of the Faculty Senate

The Faculty Senate shall be free to establish its own agenda, provided that all matters of academic policy brought before the Agenda Committee by action of the general faculty, any senator, or any standing or special committee shall be placed on the agenda not later than the time of the second regular meeting of the Faculty Senate after receipt of the recommendation.

Matters to be brought before the Faculty Senate shall ordinarily be considered in the order set forth by the Agenda Committee. Matters for consideration may be taken out of order and/or new matters considered in any order upon a two-thirds vote of faculty senators present and voting at any meeting of the Faculty Senate.

The Agenda Committee, with assistance of the office personnel, collects all recommendations and reports from academic committees, including all standing and ad hoc committees of the Faculty Senate. The committee draws up the agenda, on the basis of the recommendations and reports received from the committees, as well as from the officers and members of the Faculty Senate, for each regular and special meeting of the Faculty Senate. The committee has the responsibility of providing each member of the faculty a copy of the agenda for each meeting of the Faculty Senate one week before the date of the meeting.

The membership of the Agenda Committee shall consist of five elected Senators, elected to the Committee by the Faculty Senate for one-year terms at the organizational meeting of the Faculty Senate each spring semester, plus ex-officio: Chair and Vice Chair of the Faculty and Secretary of the Faculty. The immediate past Chair of the Faculty, in residence, the Parliamentarian of the Faculty, and the Faculty Assembly Delegates shall serve as members without vote. The Chair of the Agenda Committee shall be chosen by the members from among its elected membership. The quorum shall be three elected committee members.

The Agenda Committee reports to the Faculty Senate on any matter within its charge requiring Faculty Senate action.

XIII. Order of Business for the Faculty Senate

The following order of business shall be observed in meetings of the Faculty Senate unless Senators vote to change the procedures as provided in this constitution: (I) call to order, (II) approval of the minutes, (III) special order of the day, (IV) unfinished business, **(V) report of graduate council**, (VI) reports of committees, (VII) new business.

Each elected member of the Faculty Senate shall have one vote. Unless otherwise indicated, the ex-officio members shall have one vote each. Voting by the Faculty Senate shall ordinarily be by voice vote. All matters shall be decided by a majority vote of those Senators present and voting except as stated in this constitution.

A quorum shall consist of three-fifths of the elected faculty members of the Faculty Senate.

XIV. Limitations Upon Functions of the Faculty Senate

The general faculty shall be empowered to amend or rescind any act of the Faculty Senate, provided that a majority of the total membership of the general faculty at a regular or special meeting at which a quorum of at least two-thirds of the general faculty vote.

Acts or decisions of the Faculty Senate shall be considered approved unless vetoed within thirty days of the action by the Chancellor of East Carolina University by written notice to the Chair of the Faculty or unless the Chancellor notifies the Chair of the Faculty in writing that the proposal has been forwarded to the Board of Trustees or to the Board of Governors.

XV. Amendments to the Faculty Constitution

All proposed amendments to the Faculty Constitution shall be presented first at a regular meeting of the Faculty Senate for discussion, amendment or substitution. At the next regular meeting of the Faculty Senate the amendment will be voted upon for submission to the general faculty for approval.

IV. Faculty Senate, Academic and Administrative Committees, Membership, and Structure

Membership

Membership of Faculty Senate Committees and Academic Committees shall consist of faculty holding academic rank (instructor, assistant professor, associate professor and professor). The Chancellor and the Chair of the Faculty are ex-officio members of all committees.

Members of committees serve in accordance with their ability, training, and experience rather than as representatives of their electoral unit.

The process for election of academic and selective administrative committees will be as follows:

1. The Academic and Administrative Committee preference forms will be distributed to all faculty, by the Committee on Committees with assistance of the office personnel in January. The completed forms are due in the Faculty Senate office in February.
2. The Committee on Committees will review all preference forms and present to the Faculty Senate a slate of one or more nominees as there are vacancies to fill. Nominations may also be made from the floor of the Faculty Senate. Election of Academic and Administrative Committee members will take place at the Faculty Senate Organizational Meeting in April. Election will be by majority present and voting.

Members are elected to staggered three-year terms, which may extend to the beginning of the fall semester; ~~faculty members are generally not elected to more than one academic committee.~~

Faculty members are not eligible to serve as an elected regular member on more than one standing university academic committee at a time. Service on a single academic or administrative committee is limited to election to two consecutive 3-year terms with ineligibility for election to the same committee for at least one year. Student members are nominated by the Student Government Association for appointment by the Chancellor.

Faculty Senate and Academic Committees meet on a standard schedule, set and revised by the Committee on Committees. When a Faculty Senate academic committee deals with matters which directly concern any administrator these matters should be discussed with the administrator during the development of a proposed policy. Further, the administrator should have adequate input before the finished resolution is presented to the Senate. This not only would involve ex-officio committee members but also would involve working with any administrator involved in a particular policy under consideration.

All University Academic Committees are Standing Committees of the Faculty Senate. Information relating to each committee is available in the Faculty Senate office and electronically on the Faculty Senate web site.

Officers: Officers of each committee are elected from the membership of the committee, excluding ex-officio, by the members of the committee, for a term of one year. Previous service as a committee officer shall not prejudice a member's election to any committee office. Under normal circumstances each committee shall have a chairperson, a vice chairperson, and a secretary. Upon organization of the new committees, at the Committees' Organizational meetings beginning in the Fall, the former chairperson if available will turn over committee records to the new chairperson. The Chair of the Faculty may declare an elected member's seat vacant upon the occurrence of three consecutive absences of that member. The Chair of the Faculty will appoint faculty members to fill vacancies of any University Academic Committee that may occur during the academic year. Interim elections may be held to fill an office that has become vacant or to replace an officer that two-thirds of the full committee membership deems is not fulfilling the obligations of the office.

The charge of each Faculty Senate and academic committee is on file in the Faculty Senate office and available electronically on the Faculty Senate web site. Many administrative committee charges are available on the East Carolina University web site.

Each committee shall operate according to the latest version of *Robert's Rules of Order, Newly Revised*. Minutes of each committee are on file in the Faculty Senate office and available electronically on the Faculty Senate web site and shall be sent to members of the committee and Chair of the Faculty.

A file on each committee's activities, minutes, and other records shall be maintained in the Faculty Senate office. All committees and subcommittees, unless prohibited explicitly by the committee's charge, University policies, or state statutes, shall hold their regular and special meetings in open session in accordance with the North Carolina Open Meetings Law, and the chairperson of committees shall inform the Senate office of the time and place of such meetings so they may be placed on the Senate calendar and publicized in order that interested faculty may attend.

The committees' annual reports shall be composed by the committee officers according to the official form and submitted to the Faculty Senate office for duplication and distribution to the Chair of the Faculty, the Chair of the Committee on Committees, the present members of the committee, and the new members of the committee whose terms begin next academic year. Copies of the committees' annual reports will be kept on file in the University Archives, Faculty Senate office, and made available electronically on the Faculty Senate web site. Upon request, copies of committees' annual reports shall be made available by the Faculty Senate office.

The Chair of the Faculty shall each year compile the Annual Report of the Faculty Senate. This report, among other things, shall contain a summary of Senate and Senate committees' activities for the immediate past year.

The Annual Report of the Faculty Senate will be distributed to the Chancellor, academic Vice Chancellors and made available on the Faculty Senate web site. Copies of the report will also be kept on file in the University Archives and the Faculty Senate office. In addition, copies of the Annual Report of the Faculty Senate will be distributed to the members of the Faculty Senate not later than the first regular Faculty Senate meeting of the next academic year.

Information on the activities of the standing University Academic and Appellate Committees are available on the [Faculty Senate website](#). Currently there are two Faculty Senate committees (Agenda Committee and Committee on Committees), five appellate committees (Due Process Committee, Faculty Grievance Committee, Grievance Board, Hearing Committee, and Reconsideration Committee), and ~~20~~ 49 academic committees, as follows.

**NOMINATING COMMITTEE FOR FACULTY OFFICERS REPORT
ELECTION OF FACULTY OFFICERS**

Candidate for Chair of the Faculty

Mark Sprague, Department of Physics

It is an honor to be nominated for Chair of the Faculty. If elected, I will continue to advocate for transparency and for a faculty voice in the formulation, consideration, and implementation of policies. As Vice Chair of the Faculty, I contributed to revisions to the Graduate School governance policies, led the faculty roles SACS workgroup, and contributed to our faculty manual revisions.

Perhaps the most important issue we will face in the next year is the possible reorganization of the university in response to the PPC report. We face difficult budgets in the years ahead, and experts tell us this is the new normal. We must make sure that any reorganization at ECU results in real budgetary savings that can be used to preserve academic programs and faculty positions. All reorganization must make sense academically, and the unintended consequences of reorganization must be minimal. As Chair of the Faculty, I will ensure that your voice is heard and your arguments are seriously examined when reorganization is considered.

There are other important issues we will face next year. We must prepare for our SACS visit, begin implementation of our QEP, and continue to examine and revise our promotion, tenure, and grievance policies. We must decide how to implement the University 1000 course, and continue to set administrative policies that will be included in the University Policy Manual. I will lead these efforts in an open, inclusive manner.

Candidates for Vice Chair of the Faculty

Kimberly Heidal, Department of Nutrition Science

It is an honor to be nominated for Vice Chair of Faculty; thank you for considering me for this position. While I have been a faculty member at ECU for the past seven years, I have served on and chaired a variety of department, college and university committees. I have been a Faculty Senator for the past four years and I am currently Chair for the Faculty Senate Agenda Committee.

I believe that service allows faculty to share their disciplinary expertise, professional experience, time and energy in activities at the community, University and national levels in ways that contribute to the University's mission. I see my role as working for you and your elected representatives to promote continued improved participation in elected faculty governance, transparency in university affairs and governance actions, and effective communications with student governance. This year we will be faced with continuing issues related to the state and national budgets. As we face emerging challenges, I promise to keep you informed and help your voices be heard.

Serving you as Vice-Chair of Faculty Senate would be an honor and a welcomed responsibility. The Senate has an important role in the leadership of our university. I invest my time, energy, and expertise in community, university, and national efforts that support the University goal of being engaged in activities that serve the public good. My service reflects and enhances my research, clinical, and teaching interests in community-university partnerships and public engagement.

Andrew Morehead, Department of Chemistry

Why have I chosen to run for the office of Vice Chair of the Faculty, and more to the point, why should you vote for me?

To the former question, I have chosen to run because I have had a long-term interest and belief in strategic planning, shared governance, and service to the university. I believe there is a balance between teaching, research, and service. Each of us should strive to maximize our impact on the academy in all those areas, but most particularly in our area of strength, and those efforts should be rewarded. I also believe we are stronger as a group than we will be individually.

To the second question I pose above (Why should you vote for me?), I would tell you that I am a person who has always believed in open lines of communication and a thoughtful consideration of the benefits and weaknesses of any move. I am a pragmatist who recognizes that no choice is ever without flaws and that the people who comprise an organization as complex as a university will never unanimously agree on anything. We simply must choose the best option. Finally, I believe that the most important question to ask to determine what option is "best" is this: *how is this good for our students?* And I believe that we should never choose a path unless the answer to this question is affirmative: is this good for our students?

Candidates for Secretary of the Faculty**Cheryl McFadden, College of Education**

I have chosen to run for the office of Secretary of the Faculty because I believe strongly that faculty need to take personal responsibility in shaping the future of our University and to ensure that the processes of governance are both fair and transparent to all involved. The crisis of our times demands prudent and optimal decisions in managing our budgets and reductions while protecting the integrity of our colleges and programs. I am pleased to have served two terms on the Faculty Senate and currently serve as one of your elected members of the Graduate Council. Currently, I serve as Chair of the Libraries Committee for two years and am also a member of the Due Process Committee. My experience combined with my institutional knowledge of higher education leadership will enable me to serve this important role to the benefit of the Faculty Senate and the University.

Britton Theurer, School of Music

Through participation in shared governance I have a sense of the University's pulse. I learn about and can influence, as they are unfolding, issues and events that impact my students, unit, and university colleagues as well as the surrounding community. I recognize that my individual unit's health depends on the health of the whole university. Mutual respect and reciprocity among ECU's administration and faculty grow when faculty willingly embrace the roles and responsibilities of senator, officer, and committee member. Our opportunity to influence important administrative decisions at ECU is not universal among our peers. This opportunity for real shared governance must be monitored carefully and protected at all costs. As Secretary I intend to report as accurately and impartially as possible the minutes of our Senate meetings. More importantly, during all meetings with upper administration and all senate related activities, I will place the fulcrum of concern with the needs of the student, the academic core, the university's mission, and the ability of faculty to work as effectively as possible. My experience, since 1994, serving on committees [Research and Creative Activities Policies, Research and Creative Activity Awards, Academic Integrity (chair), Career Education (chair), Appellate Hearing, Agenda, Nominating, Calendar, Committee on Committees, Research/Creative Activities Grants (currently chair)] and in the senate has equipped me with an appreciation for the resourcefulness and intelligence of my colleagues across the campus, as well as first-hand knowledge of the mechanisms of shared governance.
