Faculty Senate Resolution I3-I04

Recommendations on Universal General Education Transfer Component Core Courses, including:

1. Approval of the list of universal general education transfer component core courses.
2. Approval of the recommendation that ECU develop, publish, and maintain selected four- year degree plans identifying community college courses that provide pathways leading to associate degree completion, admission into the major, and baccalaureate completion.

Note: ECU initiated this action some time ago. At least 20 ECU degree programs have bi-lateral agreements with specific community colleges that enable seamless transfer from the community college into the ECU major. The university adopted a policy that governs the creation of such agreements (Approval and Review of Bilateral Agreements, REG02.07.04). This agreement complies with SACS: Comprehensive Standard 3.4.4: Acceptance of Academic Credit and Comprehensive Standard 3.4.7: Consortial Relationships/ Contractual Agreements; Collaborative Academic Arrangements: Policy and Procedures.

3. Approval of the recommendation that the two systems will work together to maintain currency and effectiveness of the agreement.

Formal Faculty Advice on University Lactation Support Interim Regulation

With respect to the proposed deletions: by statute, East Carolina University is required to provide the benefits laid out in this PRR for up to one year after the birth of a child, so university counsel advises that we are consistent with the statute and do not make the suggested deletions.

As for the insertion, this PRR will not apply to students employed by the University because they are not eligible for maternity leave.
