

P. 5.

Sept. 14 - I still have not sent my letter off and I have just been to the bank and had my outfit money changed into a N.Y. draft. As I will be in Peking all this year & exchange is so low I think I had better pay up my debts at home first. I borrowed \$15<sup>00</sup> from you to come out on, - then my hat was not paid for at Mrs. Tucker's. Then some goods at Ange's I would like to pay for, and as much of the dress maker's bill as possible. Will this cover all of it? I do hope so, - but if not, - let me know and I'll see what can be done later.

If there should happen to be anything left over, - I would like to have Jeannette subscribe to "Musical America" with me, and I would like her have enough money to cover half the price. I also hope you are going to send me the "Literary Digest" and the "Mission Herald". I miss home news very much.

Be sure you write me as soon as you receive this. So many things are lost, I shall be worried until I hear from you.

Later! -

I have just found this unpaid bill, - so I am sure you will not have anything to give Jeannette. This will have to come first.
