Dear Mr. Blount:

Congratulations to Mr. Blount on his 86th some days ago. I have you beat there as I am going to have my 91st on November 6. I am glad you are still interested in the East Carolina Art Society. I know you have worked hard and have done a wonderful job there and I think now that I might send you a check about the first of December for about \$5,000 for the Society since it is for my sister and I know she will appreciate it.

I think we are both in good shape standing for 100 and lets take care of ourselves and make an effort.

Kindest regards -

Sincerely,

Grover Maxwell
