AMERICAN CHEMICAL SOCIETY

Eastern North Carolina Section

May 5, 1965

Professor J. O. Derrick
Professor J. N. LeConte
East Carolina College
Greenville, North Carolina

Dear Professors:

ACS TOUR SPEAKERS

The enclosed letters from Mrs. Bugler regarding our acceptance of some of next season's tour speakers are self-explanatory. Our next Section meeting with election results will not be held until May 25 at The Country Squire Restaurant, Kenansville. Since we must reply to Mrs. Bugler by June 1, I feel we cannot delay until the election results are known. I suggest we accept these speakers but will not reply to Mrs. Bugler until I hear from you. Please let me have your opinions by May 14.

Let me wish you both the best of luck in the coming election. I wish I could have both of you as Program Chairman and President-Elect since I know you'll do a fine job.

Sincerely,

S. B. Maerov
