

THE PATIENT CIRCLE

OF
THE NORTH CAROLINA BRANCH
OF
THE KINGS DAUGHTERS AND SONS

GREENVILLE, NORTH CAROLINA

Report of THE PATIENT CIRCLE To the 77th. Annual Convention of the North Carolina Branch of The King's Daughters and Sons, in Greenville, Oct. 23, 1967:

Madam, President, Honored Guests and Members:

In reviewing the work of The Patient Circle for the past year, I find that we have conformed with the North Carolina Branch and International Order in planning our work and programs.

Our monthly meetings, which are well attended, are opened by Praying The Prayer of the Order, followed by a Devotional, business session and program.

The yearly reports of each department and committee have been submitted to the N. C. Branch. Both State and International Dues have been paid by due date.

A pledge of \$50.00 was made to assist with State Projects. In Addition, ~~as~~ we contributed to The Indian Work, Around the World, Home for nameless Woman, T. B. Association== Cancer Fund== Community Fund-- Heart Fund== Red Cross== and a love gift to our Student nurse.

Great Stress is put on our Social Service Work; Hours have been spent in Nursing visiting the Sick; rendered aid in homes== furnished both old and new garments== groceries== wood and coal and rendered financial assistance for the needy. We co-operate with "Eyes for Needy". *and dream*

For years our Main project has been a Home -for-the-Aged. This year through the sale of bottles, coat hangers, vanilla, making & selling pickles= and memorial to the deceased, we have added to our building fund \$1,386.58.

In 1968, we will strive to broaden our scope of Service for Others, in His
President

Name-

Respectfully Submitted,

Secretary
