Yours of the  
23<sup>rd</sup> Jan'y to hand & we are glad

from him & we are sorry to hear that  
his guardian is not the proper  
person & doing what he ought to  
for his comfort. we would like  
to know who has charge of his  
effects & what has been done  
for him also who he is living  
with. In your next please write  
us all about - Say to Cousin Ida  
that Nannie lives with me, my  
wife Emma & Nannie are all that
