Dear Mr. Keller,

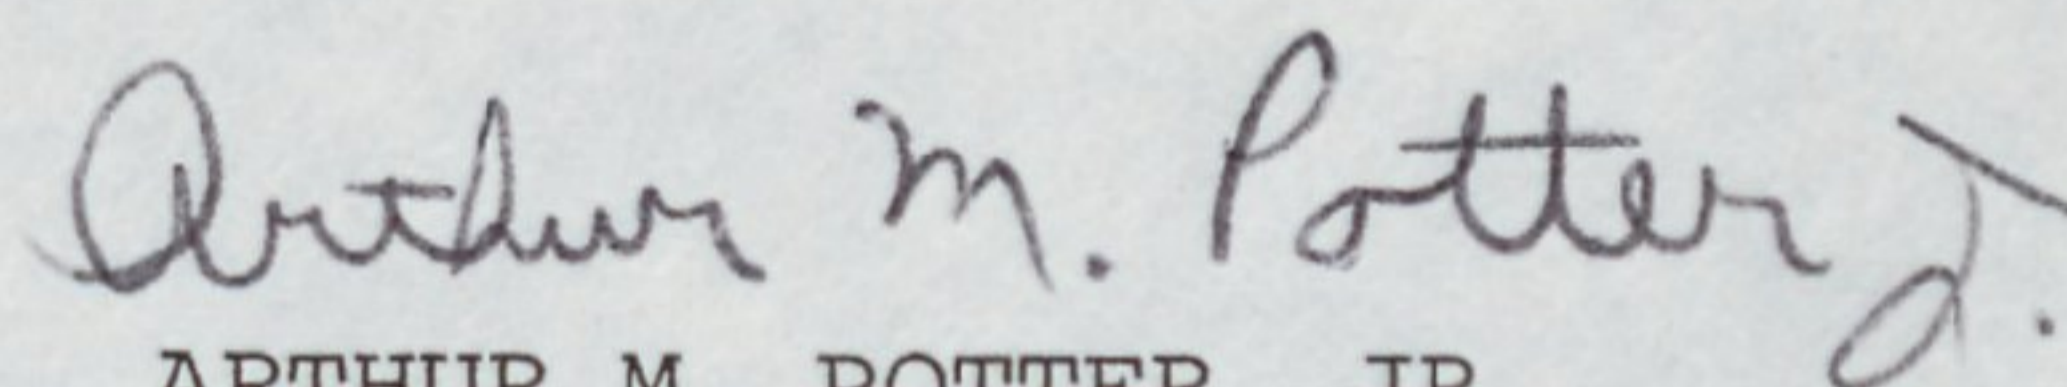

I would like to thank you for taking time out from your busy schedule to participate in the recent educator visit to Annapolis. I trust you found the trip interesting, enjoyable, and informative.

I am enclosing a copy of the picture taken while you were here and a certificate designating you an Honorary Admissions Counselor for the Naval Academy. It is hoped that they will serve to remind you of the visit and its purpose.

In encouraging qualified candidates to seek admission to the Naval Academy, please feel free to call on me at any time. The Naval Academy Information Officer who coordinated your trip is also available for your assistance.

Again, thank you for participating in our program. Annapolis offers a superb education and the mental, moral and physical conditioning to equip outstanding candidates to become professionals in one of the world's finest organizations - the United States Navy.

Sincerely,

ARTHUR M. POTTER, JR.
Captain, U. S. Navy
Director of Candidate Guidance
