Mr. L. Allen Churchill
2708 Jackson Drive
Greenville, North Carolina

Dear Cousin:

You will find enclosed xeroxed pages from the "Churchill Family in America" which you may find of assistance in carrying on your genealogical research. On the last page, you will note that there was a Benjamin Churchill who also lived in New Bern. I have not noticed this member of the family as having come to North Carolina before.

With best wishes,

Sincerely,

Robert H. Frazier
