Dear Sir:-

Many fairs throughout the country are now using our special designed cards, posters and muslin banners, because they are better than the old stock posters and our prices are right.

Your order no matter how small will be appreciated.

If you are at all interested in good outdoor advertising, and will advise us, we will send a sketch for a design in colors, which we make gratis with no obligations on your part to order from us.

Trusting you will let us hear from you, we remain,

Very truly yours,
