Dear Norm:

I'm enclosing copies of letters from both Captain Kellogg and Admiral Parkinson in reference to Orville Nicholson's article that I inserted in the Congressional Record.

I am certain there are statements in these letters that are at variance with your own recollection of this incident. Consequently, I would like your comments before I answer either Captain Kellogg or Admiral Parkinson.

My very best personal regards to you, Debbie, and the family.

Sincerely yours,

- *Armistead* -
