Dear Train:

This acknowledges and thanks you for the copy of the Directory, U.S.Naval Academy, Class of 1909. In line with your foreword may I make a slight correction in the rank under which you have me listed, that is to say, I was promoted to a Colonelcy one year ago and, although it is of no great moment, I should appreciate the change being indicated at your next issue.

May I take this opportunity of thanking you for the above publication and I desire to request advice from you as to whether I owe any money to the Class Association. If so, it shall be forwarded immediately upon receipt of the subject information.

From time to time your office has forwarded me informatory pamphlets and directories which have all been of the utmost interest, particularly from the standpoint of keeping alive old associations which if not simulated will, at times, be forgotten.

Again thanking you, I am yours

Very sincerely,

W.A. Capron
