We had your 1/2 "Buy one Feby acct Keech Fire March my acct" & we replied "Bought one Feby 1087 ac Keech & 300 clarch 1096 your account" which we now confirm. We are getting little or nothing from E. F. Ho sent us only \$500 today, so you want to send along as much cotton as possible & as few drafts. We sold 500 Bales today at St Louis for Liverpool, we are trying hard to make it work but these are rough times and there seems to be something to upset every trade however we will keep digging

Very truly
