Dear Marie:

At the meeting of the executive committee of the North Carolina Council for the Social Studies held on January 7, 1978, Mary Van Eslinger presented a proposal from John Ellington regarding the bank account of the North Carolina Council of the Social Studies in the amount of \$4,000.00 deposited in Salisbury. It was John's recommendation that \$1,000.00 be earmarked for membership expenses and that \$1,000.00 be earmarked to the Division of Social Studies for supplies, materials, professional journals, etc.

Upon a motion by Lew Cloud, seconded by Charles Jarvis, the executive committee directs you to place \$2,000.00 of the \$4,000.00 from the Salisbury account in the hands of Edna Wilson, treasurer. Edna Wilson, in turn, is directed to dispense \$1,000.00 of this amount for membership expenses and up to -- and not to exceed -- \$1,000.00 for supplies and materials to the Division of Social Studies.

Please attend to this immediately. This letter is late in coming to you because I have been hospitalized following an automobile accident.

Sincerely,

Bernice McSwain
Executive Secretary
N. C. Council for the Social Studies
