Dear John K.:

I want to thank you very much for appearing before our Rotary Club and bringing us up to date on the "Freedom of Choice Plan" with which the county will be faced this Fall. With level-headed men such as yourself and the School Board administering this plan, I trust that the distasteful edicts of the Federal Government can be complied with with the least amount of turmoil.

It is always a pleasure to have you visit with us and we look forward to your return in the near future.

Very truly yours,

KINSTON ROTARY CLUB
