CHIEF OF HELLENIC NAVY

Athens , 4th May, 1970

*Dear Captain Luehman*

Upon the termination of my tour in the U.S. I wish to express to you my sincere thanks and appreciation for your efforts to render our visit most enjoyable and profitable.

I was deeply impressed by the willingness to help in all circumstances, your thoroughness in arranging details, your professional in meeting requirements, your good disposition, your promptness, knowledge and your high moral. But for your efforts my visit wouldnt have been the success it was.

I sincerely feel that your navy is fortunate in having such capable and talented officers who contribute so much to the development of close ties of friendship and genuine esteem and understanding of your country by the nations in which you serve representing your armed forces.

My wife joins me in extending to you our warmest thanks and best wishes for the personal happiness of you and Mrs. Luehman.

*Sincerely Yours*

Vice Admiral C. Margaritis  
Chief Hellenic Navy

Captain E.A. Luehman, USN  
U.S. Defense Attache
