Dear Mr. Porter:

We are in receipts of Members Invoices Nos. 55291 and 55302 covering 16 bales of cotton delivered at Scranton, N. C., to be placed in the Government Loan.

As we could not secure the loan on this cotton under the name of "Porter & Mullen," we have opened up your account in the name of J. R. Porter, above address, and have shown on our records that these 16 bales are carried in joint account with Mullen.

Before you can secure the Government Loan on this cotton it will be necessary that you sign the enclosed Producers Warranty and Agreement and Schedule of Warehouse Receipts, as well as the Marketing Agreement, and return to this office.

Please do not attempt to fill these papers in, simply sign your name on the lines marked with an "X" as "J. R. Porter," using pen and ink or indelible pencil, and being certain to have your signature witnessed on the Producers Warranty and Agreement.

We are enclosing a self-addressed stamped envelope for your convenience, and as soon as we have received these papers, properly signed, we will be in position to mail you a check covering amount of loan due.

Yours very truly,

G. D. Arndt, Treasurer
