Dear Linda,

Thank you for your generous contributions totaling \$550.00 to the Museum Exhibition Fund, Friends of Americana Collection, DAR Library Contribution, President General's Project and General Fund. I hope you have taken the opportunity to begin the process of purchasing these pins from J.E. Caldwell.

The Heritage Club has been established to recognize members who consistently give generously to the National Society. Guidelines provide membership to all who cumulatively give \$500 or more since April 1998. Recognition ranges from the Diamond Level at \$100,000 or more to the Topaz Level which recognizes gifts of \$500 to \$5,000 or an undisclosed percentage bequest. A Heritage Club pin has been designed to be worn both by non-members and members. For members it can be worn on or off the Official Ribbon.

I am enclosing a brochure on the benefits of membership in The Heritage Club, the latest issue of The Heritage Club Newsletter, your initial Heritage Club lapel pin, and an order form for J.E. Caldwell. If you have any questions about the information presented, please feel to contact me at the address or telephone number on the top of this letterhead.

Congratulations and thank you for becoming a new member of The Heritage Club at the Topaz Level with your generous gifts. Please take the opportunity to purchase your special Heritage Club pin set with a Topaz. Your support is deeply appreciated as we continue to strive to link our roots from the past to the future.

Sincerely,

Merry Ann T. Wright
