Mr Tho R Wallace

Dear Sir

Your two last favors
are both to hand. I have delayed
writing you for some time in hopes
of having something favourable to commu-
nicate, but in vain. There has lately
trouble in the Camp - the other sister
is married - to a Mr Stone - he and
Mr Sackland is dead Enemies - they do
not speak. Not even the Mrs
Winn sides - Stone has hung up
all the property in a Chancery
Suit. Which will be tedious - it
was in a fair way of settlement
- funds almost enough in hands to
pay up the debt - but the Chancel-
or says the Cash cannot be made

Wish. but Tuckland is in hopes
that he will obtain a decree
to sell the Real property this
Winter. if so I will advise
you immediately -

Yours Respectfully

J. Chubb
