Dear Bishop,

I am enclosing John Hawkins' report
for the session 1943-44.

He has worked well this year, and
we feel he has made some progress.
He was chosen President of the Student
body for next session. That doesn't mean
a great deal because there are only
two men in next year's Senior Class!

We are not entirely satisfied with his
attitude. He is aloof, and seems to have
a "grouch", and is hard to get close to; but
we feel there has been some improvement.
I am hoping his Senior year and larger

responsibilities will bring him out, & soften
him some.

I hope you are improving in health
and feeling stronger.

Emity joins me in love -

Cordially yours.

Robert A. Godwin
