Dear Keats:

Enclosed is a North Carolina Society check for \$3000 to the Joel Lane Museum House to be used for the Joel Lane Biography. Please deliver this to the Curator, LeRae Umphleet.

Brice M. Clagett, Solicitor to the General Society, has advised not to use the eagle on the proposed plaque for Moores Creek. Rather than contest his decision, I think it's better to go ahead with the making of the plaque since the presentation ceremony has now been officially set for February 23, 2002. I believe it will look just as good without the eagle so please advise the manufacturer to proceed so as to make the February deadline.

Sincerely,

Jim Cheatham
