Dear Captain:

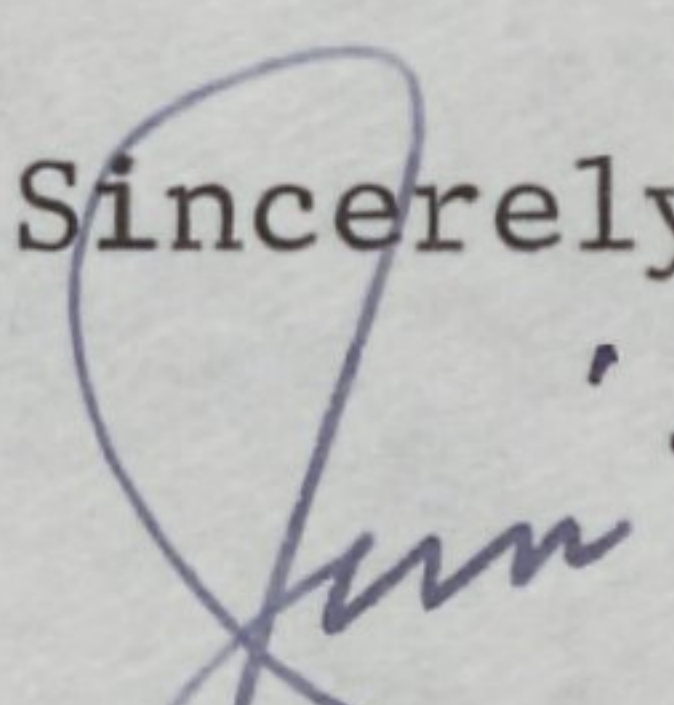

Your letter of May 18, 1970, extending your appreciation for the cooperation of this Office during your Command is most appreciated. The Agents that you saw fit to mention in your communication are just as appreciative of your kind expression toward this Bureau as I am.

It has certainly been a pleasure to work with you and the members of your Command over these many years and I want you to know that we are thankful for the excellent cooperation that has always been forthcoming from you and your men.

I hope that you will be blessed with good health and many, many years of complete enjoyment during your retirement which are merited indeed by the splendid services you have rendered your Country and organization.

Warmest personal regards.

Sincerely,

  
JAMES L. HANDLEY  
Special Agent in Charge
