Dear Bishop Darst:

We are very much interested in moving South and we were interested in your letter. It was good to hear from you. Peculiarly enough, I was talking to an old friend of yours a few weeks ago, a Mrs. Calloway, now living in Greene, N.Y. She was with you at Kanuga three or four years ago. She remembered you very fondly.

I would like to know more definitely about these places of which you speak and anything you could tell me about the towns, occupations, etc. and churchmanships of these parishes would be greatly appreciated. Possibly a visit by me could be arranged.

Louise asked me especially to send her best love to you and Mrs. Darst and Margaret and says she would just love to see you all again and of course, that goes for the rest of us.

Faithfully yours,

Rt. Rev. Thomas C. Darst
