Miss Kathleen Stokes  
705 E. 5th Street  
Greenville, North Carolina

Dear Miss Stokes:

This is the first opportunity I have had to sit down and write you and express to you my appreciation for the wonderful courtesies you extended me when my secretary and I visited your college. It was very nice of you to go to all the trouble that you did to make our visit so pleasant and profitable. I trust that I will have the pleasure of seeing you when I again return to your fine city and county.

I enclose a few of the biographical sketches which were made up and supplied by some of my neighbors and friends in New Hanover County. I feel very proud that those who have known me all of their lives saw fit to give expression to their feelings concerning me in such a very fine way. I feel that if these could be placed where others could see them, and also where they could get into their friends' hands, it would be very helpful.

Again I thank you for the courtesies you extended to me and with my very best wishes, I am

Sincerely yours,

Alton Lennon
