EAST CAROLINA TEACHERS TRAINING SCHOOL

The East Carolina Teachers Training School is a professional school for teachers. Every course offered by this school is intended to help the student to become a more efficient teacher.

The calendar year is divided into four terms, any three of which may make a school year. The Summer Term is on the same basis as the other terms. This means that the entire school plant is in full operation in the summer just as it is from September to June, and every opportunity is given to those students who attend the Summer Term that the school is able to offer at any other term.

COURSES OF STUDY

After seven years experience, we are sure the following courses of study will meet the demands of the students who attend our Summer Term; but if they do not meet *your* needs, write us at once and, if possible, we will provide for you.

EXPLANATION OF COURSES

The full courses *F*, *G*, and *H*, each make a year's work. When three terms are completed in any course the student is given credit for one year's work.

F1, *F2*, *F3* is One Year Course *B* in catalogue

G1, *G2*, *G3* is a course for students who have received the diploma of this school.

H1, *H2*, *H3* is a course for students who have received this school's certificate for completing either of the One Year Courses.

A Course prepares for *B* work.

B and *H* Courses prepare for *C* work.

When the full course *F* is completed the student will be given the school's certificate.

Students who have done work equivalent to a four years high school course, except in foreign languages, should take *C* work. Students who wish to become primary teachers should take *F1* work. Students without high school scholarship should select Course *A1*, *B1*, or one of the *F* courses. Students who have received the school's diploma should take *G1* work. Students who have received the school's certificate should take *H1* work.

If you do not find in the courses offered just what you need, write to us and make your needs clear. If possible, we will give you what you should have, for it is the purpose of this school to offer the teachers of our State those studies that will help them to become most efficient. The teachers of North Carolina have a right to demand the best there is, and this school intends to meet that demand. We will do for you all that the funds at our disposal will permit.

In filling in your application, *be sure to designate what course you wish to take.* Write the name of the course after the question, "Which course do you wish to take?" The names of the courses offered are: *A1*, *B1*, *C1*, *C2*, *F1*, *F2*, *F3*, *G1*, *G2*, *G3*, *H1*, *H2*, and *H3*.

INFIRMARY

The school infirmary is kept open for the Summer Term just as it is for any other term. A medical and infirmary fee

of \$1 is charged. This fee covers all expenses for medical attention, including the services of the school physician, the services of the nurse, and the use of the infirmary, but does not include the cost of filling prescriptions.

BOOKS

The school will furnish text-books to the Summer Term students. For this a fee of \$1.50 is charged.

Students may furnish their own books and not pay the book fee. It will be economy, however, to rent the books. The school sells books to the students at cost.

LIBRARY

The school has a well selected pedagogical and reference library of 1,932 bound volumes, and many bulletins, magazines, and newspapers. The library is open during the Summer Term just as it is during any other term of the school.

EXPENSES

Registration fee	\$ 2.50
Book fee	1.50
Medical and infirmary fee.....	1.00
Board, room, light, and laundry.....	25.00
<hr/>	
Total for two months.....	\$30.00

These expenses apply to those students who live in the dormitories and are for the entire term of eight weeks. If the dormitory students prefer to pay by the month, the first payment will be \$17.50 (the fees of \$5 and \$12.50 for board, room, etc., for four weeks), due June 12th. The last month's payment will be \$12.50, due July 10th.

Those students who do not live in the dormitories pay only the registration fee (\$2.50) and the book fee (\$1.50).

All fees are payable on the day of registration, and there will be no reduction in any of the fees.

STUDENT'S OUTFIT

Each student who lives in one of the dormitories is expected to bring for her own use the following articles: Two pairs of sheets, one pair of blankets, two counterpanes (only single beds are used), two pillowcases, six towels, six table napkins.

RESERVATION OF ROOMS

Students who wish to spend eight weeks will be given rooms in the dormitories in preference to those who wish to stay only a part of the term. Rooms in the dormitories will not be reserved longer than June 14th, and then only upon a written request.

TERM CREDITS

Students who wish to get credit for the term's work must be present seven consecutive weeks and take the examinations at the close of the term. If you register later than June 19th you cannot get credit for the work of the term.

SPECIAL COURSES

The school is offering again this summer *Course G*, which is prepared especially for former students of the school who now hold the school's diploma, and *Course H* for students who have received a certificate for the completion of either of our One Year Courses. *Course H* prepares for *C* work.

THE MODEL SCHOOL

Classes of children will be taught in the Model School during the summer, and all students in the Training School for the Summer Term may observe actual class work and see how the principles of teaching are applied by experienced and skillful teachers.

COUNTY INSTITUTES

The State law provides that students who attend the Summer Term of the Training School shall not be required to attend a County Institute.
