Mr Pickes

Dear Sir

Please notify
Mr Pender that we do not need
him any longer. I think that
we can get along without any
one now, as there is no med-
icine given during the night
in fact it would be better
as both of us could remain
in the room at night with
him as it is. Mrs Britt's sister
does not feel free to remain
in the room at night. I hope
you will understand me and
not think me ungrateful
for your kindness to us in our
trouble, hoping I have not put
you to any trouble I am
Respt Mrs J F Britt
