Mr. Ophie Stancil

Dear Sir -

As per your request I have written Mr. Joyner about running the agreed line between you and he.

I wrote Mr. Joyner that I would run a straight line from the established corner of the Forbes land on the south side of the Falkland Road to the established corner on the bank of Tar River. Both corners being known.

That this straight line so established shall be given up by both parties concerned to be their agreed line.

If you are in sympathy with this arrangement kindly notify me at once.

I am yours very Truly

W. C. Dresbach
