

Burlington, N.C.
Sept. 14th 1916

Dearest Miss McDaniel:
I guess you will
be astonished when you see
who this is from.
Hope you have had a nice
vacation this summer and
have gotten fat as I have
gained several pounds.
Everyone has noticed my fat
and seemed to be glad that
I am gaining as I needed
it bad.

Most of the girls have gone
to the Normal; some to G. F.,
Trinity and other places.
I am going to East Carolina

Teacher Training School at Greenville, N.C.
I leave the 26th of this month and
I want you to come see me while
there. You cant have any excuse
for not coming as it is not so
far away.

I thought you were coming to
see us graduate. You came by
all means.

Our new school building is about
completed and it is some building.
School is going to start next week.
Miss Annie Webster is still on
her job and what do you sup-
pose; she lives in front of me
now.

Please write me a few lines
once a year if no more.
With lots of love
as ever

Jack
