William Symington Brown

Stoneham, Mass.

1. I particularly request that funeral services shall not be held in a church, or be performed by any regular clergyman. If convenient, the Grand-Army Hall is the best place.
2. Please provide a simple collation of coffee and sandwiches for the comrades who attend my funeral. Mrs. Henry Boyce to have charge.
3. Do not inscribe any title on the monument already erected in Lindenwood Cemetery; only the name and dates.

* If convenient, send a notice to each active member of the Gynaecological Society of Boston.

W. S. Brown.

P. S. - The undertaker to provide men to carry the coffin up stairs at G. A. R. Hall.
