Dear Leslie:

Your letter and check  
came today. I am returning note  
signed. Thank you very much  
for I sure had to have it. I love  
great to go close to make the ends  
meet now

Saturday I will be through  
just finished cross country today.  
Have traveled over a thousand miles  
within the last four days. Only  
want two hundred today. It is sure  
fine. Every town I have to go to  
I am greeted with people galore  
and plenty of eat. It sure is  
great.

you must be a busy man  
from the way you write. That  
pleases Mr. Sam and you too  
I don't object. Give my best  
to all who care. Hope to  
be a so called officer next  
time you hear from me.  
Thanking you again  
Love to you both  
William
