

McLain's Winnipeg.

20th Jan. 1897.

Dear Mr. Foster

I return Mr. Ludov's
previous letter - which has
been passed round among
many old friends - I have
this morning received the
Report and letter of Aug. 21st
& Sept 11th 1896 - describing so
much new church building -
The last sheets are in rather bad
condition but we will take care of
them. I hope you are all well
and that church work is progressing
in Ottawa

Yours very faithfully
Frank V Baker
