

hiding again. It has
raised lots of work
to get the yard good
as it is.

I came off and
didn't bring the
dress I promised to
make Emily so cut
it and send it at
once and I'll be glad
to make it. I have
fixed the one you
gave me and have
a wide white kid
belt to wear with
it. It looks very

nice on me.

Have you put up
many plaques? I
have it gotten any
more yet. I really
never see the ones
that bring them
to you. I think
I'll write a man
near here about some
facts and addie &
are here now and
Howard is still
here well I need
company in this

woods. I don't stay
by myself after dark.
I am crazy about
my nearest neighbor
and guess I'll have
lots more soon.

How is the dear
little baby? she is
so sweet and the
prettiest little thing
I ever saw.

Had a letter from
Leona today said
saying she was
going to see you
soon, wish I could

but know I can't
any time soon,

I do wish you
all would come up
here

Lots of love to all
write soon

Billy
