Dear Mr. Lynn,

A little more than a year ago, you helped George Bush and Dan Quayle win a resounding victory and become President and Vice President of the United States.

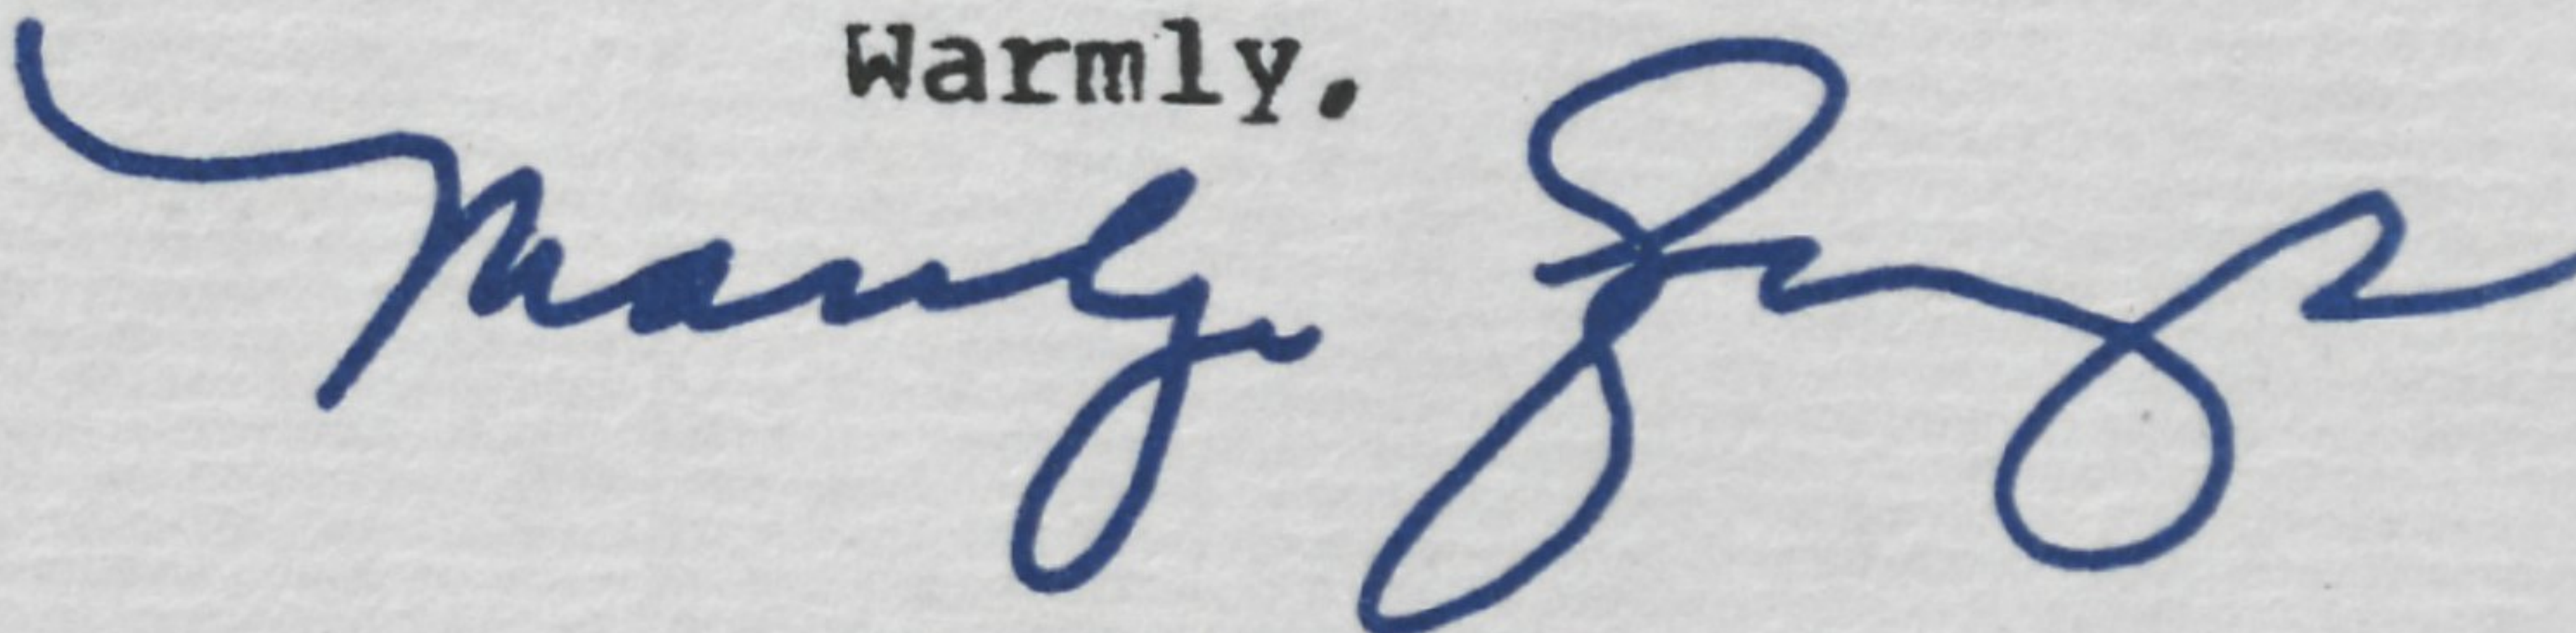

This first year in office has been an especially fulfilling time for us and we are deeply grateful to you for your part in helping make it all possible.

Dan and I particularly appreciate your generous commitment to our Party and to Lee Atwater, Chairman of the Republican National Committee. You are among a very special group of friends whom we consider family and we want you to know that your personal support and continued commitment mean a great deal to us.

As the Bush and Quayle families gather for this first holiday season in our new homes, please know that you will be in our thoughts and prayers. May you and your loved ones share a most bountiful, happy and loving time now and into the new year.

May God bless and keep you.

Warmly,
