

Senior Class Play 'Vivacious Lady' Given To Enthusiastic Audience

Douglas Jones

In I. A. R. Wylie's *Vivacious Lady* a young college professor is sent to New York on an important mission to bring back his cousin and keep him from marrying a celebrated stage actress. The young professor brings his cousin home with him, but he brings the actress too, as his own bride.

That is the story of the senior play which was presented by the class of '42 Thursday, May 21 in a matinee and an evening performance in Austin auditorium.

Walter Mallard from Trenton played the young professor, Peter Morgan, and Mildred Liverman from Columbia played the stage actress, Francie, who married Peter.

Peter's cousin, Keith, was played by Douglas Jones of Farmville, and Helen, Peter's fiancée of his father's choosing who further complicated the trouble of Young Peter, was played by Ruby Grant of Greenville.

Peter's parents, Mr. and Mrs. Morgan, were played by Rudy Walters and Doris Dawson.

Jennie, the maid, was played by Rachel Boyd; Culpepper, by W. B. Harris; the pastor, by Evan Griffin; Mr. Noble, by Dave Owens; Mrs. Owens, by Edith Harris; Clara, by Ruth Nowarah; and June, by Rosebud Gaylord.

The extras were Dorothy Dalrymple, Helen Wolfe, Frances Sutherland, Dorothy Wyckoff and Katherine Brown.

"Vivacious Lady" was released by RKO in 1938, a George Stevens production, starring Ginger Rogers and James Stewart in the roles of Francie and Peter and featuring James Ellison, Charles Coburn, and Beulah Bondi.

Teco Echo Given 'Excellent' Rating By ACP Services

For the second time in the history of the *Teco Echo*, the paper has received the rating of excellent or a First Class Honor rating from the Associated Collegiate Press' National Critical Service. According to the *Teco Echo* files, for the past five years the *Teco Echo* has been given only a Second Class rating.

The criticisms were made from the first seven issues of the 1941-42 volume. A total of 85 points from a possible 1,000 were acquired by the *Teco Echo* with The All-American rating, which is the highest rating awarded, requiring only 900 points.

Mary Horne of Greenville has headed the editorial staff this year and Mary Agnes Deal has served as Business Manager. Mary's comment when she received word of the rating was, "I am very proud of the staff of the *Teco Echo*. It is primarily through their efforts, hard work, and cooperation that the *Teco Echo* was classed as an excellent paper."

Criticisms were made on all phases of the paper. In the *Teco Echo's* scorebook below See Rating on Page Four

Dimes For Defense

Under the direction of Sue Parker, the WSGA sponsored, Wednesday and Thursday, May 20-21, a Dime For Defense campaign. The amount of the two day's donations, which will be used to buy defense bonds and stamps for the college.

Posters, patriotic records, and a booth decorated in red, white, and blue designated the place in the dining hall where students and teachers donated their dimes. The committee in charge also arranged that all boys dating college girls had to contribute their dimes before the girls could leave the dormitories.

This was the third Bond Day sponsored by the council.

Members Of Four Classes To Be Guest Of College

Members of the classes of '17, '32, and '41 will be honor guest of the college during the 1942 commencement exercises to be held on the campus May 29, 30, 31 and June 1.

Members of the class of '17 will celebrate their twenty-fifth reunion. Dr. Leon R. Meadows is adviser to the class. Yale blue and white are the class colors; "Esse Quam Videri", the class motto; and ragged robin, the class flower.

Through the years, the seventeenthers have shown much loyalty to their Alma Mater. Many of them have worked as officers in the Association. Mrs. B. M. Bennett (Elizabeth Stewart) served for two years as president of the general

YWCA And YMCA Install Officers

An installation service for the new officers of the YWCA and YMCA Sunday evening in Austin auditorium, emphasized the world-wide scope of the work of the organizations.

On the candle-lighted stage the cabinet members, all carrying unlighted candles, formed a large "Y." Miss Virginia Whitley of Nashville, outgoing president of the YWCA, said in her installation talk: "The arms of the 'Y' are ever reaching outward over the campus, into the community, through the state, the nation, and over the world. How far they extend we may never know."

Miss Charlotte Shearin of Rocky Mount, new YWCA president, lighted her candle from Miss Whitley's. As she gave the name of each cabinet member and told something of her duties, the girl lighted her candle from the one nearest her. Incoming President Samuel Crandall of Stokes introduced the officers of the YMCA and explained their duties as they lighted their candles.

Against the background of the glowing "Y," Miss Shearin quoted from the scriptures, "Ye See Installation on Page Four

Former Graduates To Celebrate Alumni Day May 30

Alumni Day, an annual event at E. C. T. C., constituted a large part of the program for the 1942 Commencement exercises and will be held on Saturday, May 30.

Registration in the lobby of Austin Auditorium from 9:00-10:00 o'clock will begin the program for the day.

At 10:30 the morning program, held in Austin Auditorium, will be opened by a welcome address by Dr. L. R. Meadows, Mrs. Fasion Butler, (the former Maude Melvin, E. C. T. C. student) and the Ladies Glee Club will present vocal selection. Members of the twenty-fifth reunion year, the class of 1917, will take part in the program. Also on the program will be the presentation and acceptance of the Annual Symbolic Alumni Award.

At 11:30 the annual Business Meeting will be held with Mrs. J. C. Holland of Raleigh presiding. During the business meeting the new alumni members of the Class of '42 will be welcomed into the Association. In behalf of the Class of '42, Ida Ruth Knowles, president, will make the response.

All alumni, faculty members and their wives, all members of the staff, new alumni Class of '42, and special guests for the occasion will have luncheon served to them at 1:00 o'clock in the college dining halls.

At 2:30 the class reunions will be held. Honor Classes for the 1942 Alumni Day will be the Class of 1917, the two classes of 1932, and the Class of 1941.

From 2:00-4:00 Dr. and Mrs. Meadows will hold open house. See Alumni Day on Page Four

Below are the sponsors of the Chi Pi Players dance to be held tomorrow night in the Wright Building. From left to right; top row: Ethel Smith, Ophelia Hooks and Dave Owens who will lead the figure, and Katherine Kyzer. Bottom row: Jean Abeyounis, Eugenia Marshburn, and Ruth Bray.

Plans For 1942 Summer Session Now Completed

According to Dr. Howard McGinnis, college registrar, plans for the 1942 Summer Schools have been completed.

Registration for the first term of the summer quarter will be held on Thursday, June 4. Classes will begin on Friday, June 5, and June 11 is the last day that students will be allowed to register.

On Wednesday, July 15, the first term ends. Registration for the second term will be held July 16. Thursday, July 23 will be the last day to register for the second quarter. Summer school will come to an end on Saturday, August 22.

In the Summer School bulletin it is stated that "students will be permitted to carry a maximum of three full courses each term for a total credit of nine quarter hours per term (six semester hours)." A tentative list of the courses to be offered during the summer sessions is found in this bulletin, but any course listed in the general catalogue will be offered during either term of summer school provided there is sufficient demand for it.

According to the office of administration, a large enrollment is expected for this summer session. All college students have been urged to continue their studies this summer in order to finish as soon as possible and qualify for National Defense jobs.

Informational bulletins issued by the Government say that all college students should obtain their degrees so there will be increased efficiency in employees and employers.

Special Program By Victory Choir

Lewis Sidney Bullock's Victory Choir will present a special program of songs in a concert at the Austin building tonight at 8:30. This will be the first of a series of concerts to be presented in nine states, including several army camps. A nominal admission fee will be charged and there will be special tickets for college students.

The singers were designated by Governor J. M. Broughton as the American Victory Chorus of North Carolina last summer and on a radio hook-up from New York, Mr. Bullock's singer, won exceptional high praise from music critics.

Greenville is headquarters for the Victory Chorus. Its members are from Eastern Carolina towns. The singers serve without pay and through sheer love of singing and entertaining the public.

Below are the sponsors of the Chi Pi Players dance to be held tomorrow night in the Wright Building. From left to right; top row: Ethel Smith, Ophelia Hooks and Dave Owens who will lead the figure, and Katherine Kyzer. Bottom row: Jean Abeyounis, Eugenia Marshburn, and Ruth Bray.

Annual Commencement Exercises Are Scheduled To Be Held June 1

Many Guests Visit Home Management House This Year

PRACTICE HOUSE
The two units of the Home Management House have entertained a hundred and fifty-one invited dinner guests at sixty-six dinners during the past year. No record has been kept of the "drop in" company.

Opportunity is provided for each girl to entertain in the House in the Apartment. The dinner in the Apartment, for six people, must not cost over a dollar. The allowance in the House is more liberal.

Two hostesses entertained jointly at times. This was made necessary by the increase in the cost of food.

Both units of the Home Management House will be run each term of summer school.

Students who entertained during the year were: Sylvia Burns, Elsie Mae Daughtry, Elizabeth Gay, Juanita Rush, Mildred Aycock, Frances Gillikin, Louise Shearon, Yvonne Browning, Rosemary Underwood, Marie Gupton, Dorothy Gupton, Lydia May, Minnie Quinn, Margaret Tart, Melza Bostic, Julia David, Emily Johnson, Hazel Bowen, Lucille Wright, Elizabeth Thomasson Propst, Marion Smith, Edith Harris, Jessie Keith, Ruth Britt, Emily Murphy, Ida Ruth Knowles, Ruth Nowarah, Ann Hurff, Pauline Mitchell, Lula Gupton, Rosa Pecora, Margenette Ashbell, Gladys Sturdivant, Evelyn Mitchell, Pecolia Fisher Smith, Lula Mae Whitehurst Wilson, Lois Lee Britton, Harriet Lawrence, Eldred Evans, Dorothy Powell, Mary Harvey Ruffin, Jane Williams, Christine Schroy, Elizabeth Stacey, Celia Blanche Dail, Lillie Easom, Louise Taylor, Annie Ruth Tucker, Marjorie Gardner, Helen Lane, Luda Mae Jenkins, Nina Galling, Eldred Evans, Virginia Whitley, Julia Latham, Lucile Privette, Hulda Strickland, Helen Jenkins, Margaret Wise, and Hazel White.

1942 Tecoa

According to Lallah B. Watts, editor of the 1942 edition of the *Tecoa*, college yearbook, the annuals are expected to arrive next Tuesday, May 26. The annuals will be distributed as soon as they arrive. Lallah B. asked that students watch the bulletin boards for an announcement concerning the distribution of the annual.

Dr. Leon R. Meadows, (top) who will award degrees to the 1942 graduating class and Mr. John Temple Graves, Commencement speaker.

Graves To Speak At Commencement Exercises Here

John Temple Graves II, noted lecturer, editor, and author will deliver the commencement address Monday morning June 1. Mr. Graves was graduated from Horace Mann School in 1910. Since that time he has attended a number of other schools, receiving several degrees. He worked on the editorial staff of the *New York Journal* for a couple of years before the World War I. He was a second Lieutenant with the 49th Heavy Atry, U. S. Army in France, 1918-19, and assistant to Edward N. Hurley on American Peace Committee in Paris. He has been editor of the *Palm Beach Times*, and the *Jacksonville Journal*. At the present he is on the editorial staff of the *Birmingham Age-Herald*, and daily editorial column syndicated to Southern newspapers. He is the author of several southern book; essays, economic reviews, short stories and poems.

Bishop Edwin H. Hughes has been bishop of the Methodist Episcopal Church since 1908, and senior bishop from 1936-40. He attended West Virginia University. See Commencement on Page 4

Completing the 1941-1942 college year will be the annual commencement program to be held May 29, 30, 31, climaxed by graduation exercises on Monday, June 1st.

On Friday evening, May 29, seniors, juniors, and Alumni will be entertained by the college at the annual commencement dance to held in the Robert H. Wright Building.

Alumni Day will be celebrated on Saturday, May 30. Plans for the day are as follows:

9:30 a. m.—Meeting of the Alumni Association.

1:00 p. m.—Alumni Luncheon

4:00 p. m.—Open House for Alumni and Faculty, at home of President and Mrs. Meadows.

8:30 p. m.—Musical Recital.

Bishop Edwin H. Hughes, of the Methodist Church, will make the Commencement sermon at 11:00 o'clock Sunday morning in the Wright Building. All local churches will cancel their usual Sunday morning services and many townspeople are expected to attend the College services.

On Sunday afternoon, the East Carolina Teachers College Band will give a concert on front campus at 3:30. The program lists many favorite marches and selections from well known operas. This is the first concert by the band since it has been under the direction of Mr. Robert Getchell, who came to the campus last fall.

At 7:00 p. m., members of the YWCA and YMCA will hold their annual candlelight Vesper service in the Wright Building.

Mr. Temple Graves II, will deliver the commencement address at 10:30 Monday morning in the Wright Building. Mr. Graves address will be followed by the awarding of the diplomas to the 203 graduates.

This year, for the first time in the history of the college, the degree of Bachelor of Science will be awarded to 11 students.

Students Take OTI Off Blacklist

Members of the student body of East Carolina Teachers College voted Thursday night, May 14, 1942, to take the Olde Towne Inn, local restaurant, off the blacklist.

This action was taken at the request of the new owners, Mr. H. B. Sommers and Billy Fowler, upon their promise to do all in their power to enforce high standards of conduct in the restaurant at all times.

Students voted unanimously to take it off the blacklist.

The blacklist had been placed on the Olde Towne Inn some time ago when advertising cards of an unfavorable nature had been circulated bearing the name of Olde Towne Inn.

Other points considered in taking off the blacklist were the reputation of the new owners in the operation of the Greenville Health center and reports received from the Greenville city officials.

Dramateers To Entertain At Coconut Grove Dance

Members of the Chi Pi Players will play host at a Coconut Grove Dance tomorrow night in Wright Auditorium. Sponsors for the dance were elected in a recent meeting and are as follows: Ruth Bray, Kay Kayser, Jean Abeyounis, Ethel Smith, Gene Marshburn, and Ophelia Hooks.

Ophelia Hooks, president for this year and next year will lead the figure with Dave Owens, recently elected vice-president for next year.

Donald Perry is chairman of the floor show committee. Assisting Donald on this committee are Rosalie Brown and Jean Abeyounis.

Other committees for the dance are: Clifton Britton,

chairman of the figure committee. House Decorations are being taken care of by "Shorty" Sessoms and Jack Young. Martha Rice is chairman of the Stage Decorations. Refreshment, Margaret Lewis; Lighting, Fenley Spear; Art, Mary T. Bailey, constitute the remaining committee heads. Dave Owens, Ruth Bray, Kay Kayser, Clifton Britton, and Ophelia Hooks are ex-officio to all committees.

Bids have been on sale for two weeks for twenty-five cents apiece. Each member of the club has six complimentary bids to be given to friends off the campus. All alumni members of the club have sent bids.

"NOW THAT I'VE GOT MY DIPLOMA, I CAN'T SEEM TO MAKE UP MY MIND WHAT BUSINESS TO GO INTO!"

Alumni News

By ESTELLE McCLEES

Perquimans County—On Thursday night, May 7, a Perquimans County chapter of the Alumni Association of East Carolina Teachers College was organized. The organization meeting was held in the home of Mrs. H. R. Winslow (Ruth Spivey). Officers elected were: President, Mrs. C. E. Hobgood (Nelle Breedlove), Hertford; vice-president, Mrs. T. R. Ainsley (Ruth V. Batten), Hertford; Mrs. H. R. Winslow (Ruth Spivey), secretary, Hertford; and reporter, Miss Johnnie White, Belvidere. This brings the total number of chapters up to twenty-two. Miss Emily Smithwick, vice-president of the Northeastern district, assisted in the organization.

Note: A few of the chapter presidents or reporters have already sent a report of the year's work to the Alumni Office. These reports are included. The La Grange chapter was organized last September with representatives from the College present. During the year eight meetings were held. The group met the first Tuesday in the month with the exception of joining the Kinston-Lenoir chapter for a dinner meeting on March 30. Thirty-five alumni were contacted during the year. For each meeting the program committee planned a program which usually dealt with news and information concerning the College. A social hour was enjoyed after the program. The officers that served during this year were asked to continue to serve during 1942-'43. These are: president, Mrs. J. T. Sutton (Mae Hampton Keith); vice-president, Mrs. Stewart Wooten (Pearl Moore); secretary-treasurer, Miss Celia Grantham; reporter, Miss Eugenia Allen.

The Ayden chapter, composed of sixteen active members has had a very successful year. Six meetings have been held, the first of which was held in September with Dr. Leon R. Meadows as guest speaker. His topic, "What Constitutes A Good Alumnus", was an inspiration to all. In October, the president, Beatrice Cherry, gave an account of the Homecoming Day at E. C. T. C. The November-December meeting was held in December with a short Christmas program and an exchange of gifts. Dr. Frank spoke to the group in January on "The United States and the War Situation." The February meeting was a social at the home of Miss Vallie Sumrell. In March, the chapter sponsored a bridge tournament which was very successful. Every member was most cooperative in the undertaking. During the last meeting of the year, which was held at the home of Mrs. Staton Ross (Josephine Dixon), the new officers were elected: Mrs. Robbie Dail, president; Miss Martha Baldree, vice-president; Miss Christine Harris, secretary-treasurer; and Mrs. Staton Ross, reporter. Officers who served the chapter during the past year are: president, Beatrice Cherry; secretary-treasurer, Mrs. Jamie Dail; and re-

porter, Mrs. Staton Ross. Including dues the chapter's contribution is \$35.31. In Greensboro, the E. C. T. C. alumni have held four meetings during the year. For each meeting a program has been given. The total number of alumni living in Greensboro who have been contacted during the year is twenty-five. Officers for 1941-'42 were: president, Miss Alice Pope; vice-president, Mrs. Robert Barbee (Alice Whitehurst); secretary-treasurer, Lila Pritchard. For the last meeting of the year, Dr. Beate Berwin, German refugee, was guest speaker to the members of the Greensboro E. C. T. C. alumni group. The meeting was held in the teachers' room of the Aycock school. Dr. Berwin used as a topic, in relating her experience, "My Escape From Germany." During the business hour, officers for next year were chosen. Mrs. C. A. Jackson (Patty Smith) will serve as president; Mrs. Robert Barbee (Alice Whitehurst), vice-president; and Miss Bessie Doub, secretary. Miss Alice Pope, president, was hostess for the meeting.

The Greenville chapter has an active membership of forty-six. During the year, through the various activities and the regular meetings approximately one hundred alumni have been contacted. In addition to five regular meetings, chapter members have sponsored two bridge tournaments and have invited all E. C. T. C. alumni living in Pitt County as guests to a bridge party. In April, a Bingo party was enjoyed. Guests speakers to Alumni during the year have been: Mrs. Adelaide E. Bloxton, Miss Maria D. Graham, and Dr. Leon R. Meadows. Mr. Denton Rossell of the music faculty and his beginning voice class were heard in several vocal selections on the Christmas program. Also, for the Christmas program, Miss Ruby Grant, senior, read a story, Miss Christine Johnston, alumna, read selections from *The White Cliffs* for the January program. Officers for 1941-'42 were: Mrs. Mildred Owens, president; Mrs. E. T. Stafford (Lessie Mae Jennings), vice-president; Mrs. Chester Walsh (Catherine Hill), secretary; Grace E. Smith, treasurer; Estelle McClees, reporter. Officers for 1942-'43 are: Mrs. R. V. Davenport (Doris Nichols), president; Mrs. Clem Garner (Ruth Blanchard), vice-president; Elizabeth Deal, secretary; Grace Smith, treasurer; Mrs. Mildred Owens, reporter. The Greenville chapter has turned into the Association treasury the amount of eighty dollars and seventy-five cents.

The Raleigh chapter had held nine meetings during the year with forty members on the active roll. Sixty Raleigh E. C. T. C. alumni have been contacted during the year. Programs for each meeting have been very interesting. The following is a report of the program: In September, there was a business meeting at which

"Y" News

The incoming and outgoing Y. W. C. A. cabinets, with the "Y" advisers, Misses Williams and Grisby, had a retreat at Camp Leach near Washington, North Carolina, during the weekend of May 8-10, to think out an interesting program for the remainder of the programs scheduled for this year, and to plan the installation of the House of Comradships and commencement services. During the retreat, work, recreation, and worship, were given their place on the schedule.

Group programs for the coming year will be worked out by a committee of three. Bessie Fay Hunt, chairman, will have charge of Sunday night vespers and special programs. Friday night Vespers which will consist largely of groups discussions and forums will be under the direction of Mabel Spence Watson. Alice Fenel will plan and carry out night watch. Then in winter quarter the program committee plans to have Religious Emphasis week with a noted speaker from off the campus. One of the chief aims is to have more student programs and thus draw more people into "Y" work.

On Friday evening Virginia Whitley and Charlotte Shearin, old and new presidents, talked on the purpose for which the YWCA exists, and outlined the schedule for the retreat. Those who went on the retreat were Misses Williams and Grisby, Virginia Whitley, Charlotte Shearin, Willie Mae Daniels, Helen Stone, Bessie Fay Hunt, Mabel Spence Watson, Carol Leigh Humphries, Mildred Beverly, Sylvia Green, Alice Ferrel, Estelle Davis, Zalia Carowan, Grace Ross, Frances Radcliff, Katherine Russell, Annie Audrey Stevenson, Dorothea Massey, and Mary Long Ford.

Plans for the year were submitted by the president and voted on; in October, the annual dinner meeting was held at the Woman's Club with Dr. Re Barker and Dr. Baughan as a bridge tournament was sponsored; in December, alumni enjoyed a Christmas party; in January, Dr. Clyde A. Erwin, superintendent of Public Instruction, was guest speaker; in February, five pupils of the Music Department of the State School for the Blind gave a concert for the Alumni group; in March, Miss Estelle McClees visited with the chapter; in April, a musical program was given by voice pupils of Miss Byerly, music teacher in Needham Broughton High School; in May, a bridge tournament was held among chapter members. During the State Teachers Meeting in Raleigh, members of the Raleigh chapter gave a tea for all visiting E. C. T. C. alumni. Officers for the past year have been: president, Miss Ruby Garris; vice-president, Mrs. J. M. Newsome; secretary, Mrs. F. H. Shuford; treasurer, Mrs. Ann W. Ray; reporter, Mrs. E. H. Dicky. Officers for 1942-'43 are: Mrs. J. M. Newsome, president; Mrs. John H. Harris, vice-president; Miss Nettie Lee Townsend, secretary; Miss Annie Laurie Melvin, treasurer; Mrs. A. B. Uzzle, Jr., reporter. Including dues the chapter has contributed one hundred dollars to the Association this year.

STUDENT'S CORNER

Well folks, here is a student whom we do not have to introduce to you—merely present. We present the outgoing editor of the ole Teco Echo with great pleasure. Mary has certainly done more than her share of work since she has been a student here. Mary has distinguished herself most in the field of journalism. For four years she has worked on the newspaper. Her freshman year she worked as a reporter. Not a cub, however, for she was an associate editor on the staff of Green Lights when she was in high school. During her Sophomore and Junior years she was elected an Associate editor of the Teco Echo. When James Whitfield was called to the army last fall, Mary automatically took over his duties as editor for this year. Both students and faculty feel that Mary has fulfilled this position with competence. Mary has worked hard to play up the students whom she feels are the best news of all, and to give the students what they wanted in their paper. Last summer she worked on the Greenville News Leader for several months. She says that the Teco Echo is her first love. After graduation she hopes she will get a job teaching journalism.

Don't think that Mary is capable and interested only in newspapers and the such. She is majoring in Science and Math and is very good in her field. She was a member of the Science Club her second and third year; president her third year, also. In her freshman year she was a member of the Math Club, and a member of the Y. D. C. the first year it was organized. As if all of these things can't keep her busy, she collects besides! In a recent count she discovered that she has 567 picture postcards. (If you go somewhere picturesque this summer you might send her another for her collection.) Mary likes to watch all sports. Of course all of E. C. T. C. major ones such as baseball, basketball, and football. Once she was the only person attending a football game in snow and rain, but as long as they played she stayed! Whenever she gets a little stiff from just watching she runs out and takes a swim or plays ping-pong. To end a very successful college career Mary was chosen among students of American Universities and Colleges for Who's Who. Well, Mary, we hate to see you leave us but we will be looking for your by-line in the New York Times some day. P. S. Strickly confidentially, Mary has a nick-name. It's "Pug" but please don't tell who told you.

STUDENT OPINION

To the Editor of the Teco Echo: I wish to correct one erroneous impression left in your editorial of May 8, entitled "Some Answers are Needed". In this you say "can the students help it if the dormitories are not suitable for study? Isn't someone on the administrative staff responsible for enforcing a reasonable amount of quiet?" That, my dear students, is one point on which you can blame no one but yourselves, and the sooner you accept your responsibility in the matter, the better off we shall all be. The maintenance of quiet in the dormitories is put down in black and white in the handbook as the responsibility of the Student Council and the proctors appointed by the council. If they fail to enforce the ruling the responsibility lies ultimately on those people who appointed inefficient officers—or even more on those who failed to vote at all. One of the first regulations in the handbook (passed by W. S. G. A. and not by administration) is "There shall be reasonable quietness in the dormitories at all times" and the first duty of the council as given in the constitution is to "enforce the rules of the association." Furthermore the constitution provides as the purpose of the Student Government association (of which each student is automatically a member) "to develop student honor and self control; to direct matters concerning college life, not reserved to the jurisdiction of the faculty. To . . . promote a sense of personal responsibility in the students." I may be wrong, but I believe any student who screams and yells in the dormitory, who plays her radio so loudly or talks so loudly that she disturbs others, is woefully lacking both in self control and in any sense of personal responsibility. Also I believe that by the time a girl is old enough to be in college she should have sufficient maturity and consideration for others so that she should not need some one standing over her with a stick to make her keep reasonably quiet when others are trying to study. True I have many times personally quieted girls in my dormitory. I have even had to get up out of bed and go on the other wing of the house after midnight to do it. But every time I have ever had to quiet anyone it has been an admission of your own lack of self control and your own failure to accept personal responsibility, and an admission of the failure of student self-government. No noise in the dormitory is a student responsibility; so what are you going to do about it, students? —MARY CHEATHAM.

HOOTING WHO'S

By the Wise Old Owl
And the wise old owl in the old oak tree (the one in the arboretum) said—well, what did the old bird say? He's really capable of saying plenty, 'cause he sees all, knows all, and—woe is you—tells all! One of the first things that the old bird whispered to me was that Dick "Ace" Gaudin and the cute number, Ann Ward, are seen together quite a bit lately. Too much, in fact for the relation to be merely friendly. "It's amazing but confounding"—compliments of Many Yokum—Everett and Rachel go together, break up, and each one starts going with somebody else—namely, Kathleen Aycock and Bill "Stanfield" Johnson. But here is the confounding part. Are these two matches strictly on the beam, or are their actions just part of their spring cleaning? How 'bout it folks? Flash! Gaddy loses James—part time, anyway. However, Billy seems to be getting along o. k., although that bright red jacket does seem to attract Helen's attention. Billy, what was that the ole Owlie overheard you saying? "****". Is that right? One of the most peculiar things, says the old bird, is that Billy Greene is so often seen "unattached" these days. To quit beating around the shrubbery and get to the point, has our mountain hero lost his interest in the girls about the campus; is something eating him; or what in the world is the matter. Please Owlie, do some heavy evedripping and enlighten our worried minds. do some heavy evedripping and enlighten our worried minds. My friend (and your enemy—referring to the bird again) also told me that he can't make heads nor tails from this Sisk-Davis affair. He wonders if Ray and Bonnie are definitely "that-way" or do they just like each other's company? Another problem for you to clear up Owlie. Well, after the old bird tried to stamp the foregoing in my excited mind (no remarks, puh-lease!) it was about time for him to leave. But the last thing he said to me was that he was going to travel everywhere this summer from Natchy to Mobile, from Memphis to St. Joe, and keep an eye on all our Problem Chillin'. So, be careful, if you step out on us or "him" you will probably find yourself in print the first thing next fall. Till then here's hoping we will have plenty to put in this ole column about you next year! See ya!

Welcome Home Alumni

Each year as the spring quarter closes, loyal Alumni of the college come back to visit their Alma Mater, to renew old friendships, and to make new ones. Many of these former students look forward to Alumni Day and view it as an outstanding event in their year. However there are many of our graduates who have lost touch with the school for various reasons.

It is true that it is impossible for all of our graduates to return for Alumni Day, but there are many who can return but seem to lack that spirit of loyalty so vital to the success of any institution or organization, or feel that the Alumni Association is not worthwhile.

This is not true. The Alumni Association has a very definite purpose. According to the constitution of the Association, the purpose of this organization is "to develop a spirit of cooperation among its members, to increase a spirit of loyalty to their Alma Mater, and to promote the welfare of the college whenever possible." In order to fulfill this purpose it is necessary for every single member and former student to do his or her part. And you do have a very vital part.

However, you cannot do your part unless you keep up with the organization and take an active interest in its activities. This can be done by attending the meetings of the organization each year on Alumni Day. Not only will you help in promoting the work of the organization but we believe that you will enjoy meeting your former classmates.

The college and the Alumni Secretary are doing all in their power to make the 1942 Alumni Day a success but their efforts, no matter how great, are of little value unless you, the graduates of East Carolina Teachers College, are here to help.

We urge you to return this year for Alumni Day, May 30, 1942. Those of us who are still here are looking forward to that day and we sincerely hope that you are too.

Farewell Seniors!

There is always something sad about the end of the Spring Quarter. For three quarters the four classes have worked in harmony and enjoyment. Now the time has come when we must bid adieu to those who have been an inspiration and guide to the rest. We mean you, seniors. This is the part of your life you have looked forward to since you were in grammar school. It is here, now, and we are glad for you.

As you leave your Alma Mater this year you will walk out into a topsy-turby world. Many of you boys will not be able to pursue the work you have planned. Instead you will enter into some branch of the service or government work. Some of you girls will not follow the plans you had made, either. However, there are vital positions waiting for you to fill. Teachers are in demand now as never before. You have your degrees. Go out there seniors and fight. You have the stuff in you to make good. We say to each of you, "Good luck, we shall miss you."

Education vs. War

In wartime most schools and colleges are confronted with the problem of decreasing enrollments and, at the same time, with the necessity of maintaining staff, plant and the ordinary activities of peace-time education. The need for men in the armed forces and in productive capacities is expected to make great inroads into the student body of colleges and universities the country over.

These are sad but true statements. In these days when the youth of the nation are faced with the problems of rebuilding the world after the war, it is vital that they be prepared to do so. And still, even though we realize the need of preparation, the enrollment in colleges steadily decreases in time of war.

Evidences of this decrease are seen every day on this campus. Boys join the armed services, girls get married and stop school, and students take work in national defense projects at the first opportunity. We do not say that these things are not worthwhile . . . they are. But a college education is worthwhile also and will probably give greater benefits than any other one thing.

Perhaps many of you say that you will continue your education later. Maybe you will but the odds are against you. There are very few students who go back to college after they have been out for a year or so. Study habits are hard to acquire but mighty easy to break.

We urge you not to postpone your education. Instead speed it up. If you are in a hurry to finish school and take defense jobs, why not come to summer school? Then you'll have both your college education and the job. But whatever you do, don't give up your college education unless you have to.

"We Shall Pay Them Back With Compound Interest"—F. D. R.

We Need Every College Man In Officers' Training

★ To Man the Mightiest Air Army in the World ★

Make Your Choice This Week For Present or Future Officers' Training

IF your blood boils at the very thought of an enslaved world... If Jap treachery and Nazi savagery make you see red and itch for a gun—calm yourself with the promise that we shall pay them back with compound interest!

We shall—and you as a college man now have the opportunity of serving as a Flying Officer—a Bombardier, Navigator or Pilot—with that branch of service which will do that paying back in person—the U. S. Army Air Forces!

Under the new Army Air Force Reserve Plan—if you are a Senior or wish to leave school—apply now for your Aviation Cadet training.

You and your friends can share together the work and fun of flight training, and after approximately 8 months—earn the right to be flying officers in the U. S. Army Air Forces!

On the other hand, if you are a Freshman, Sophomore or Junior—you can, if you like, continue your studies under the Deferred Service Plan of the Army Air Forces—and become better prepared for Officers' Training later.

New Simplified Requirements
 To qualify you must be 18 to 26 (inclusive), physically fit—and pass a new, simplified mental test which college men find easy.

When you are ready—and facilities are ready—you begin as an

THREE ENLISTMENT PLANS FOR COLLEGE MEN

Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.

All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)

Aviation Cadet at \$75 a month, with expenses paid.

If you have majored in science or engineering you can try for a commission in the ground crew—in Armament, Communications, Engineering, Meteorology, Photography.

As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

80% Have Won Commissions
 Due to thorough training—about four out of every five Aviation Cadets this past year received Second Lieutenants' commissions—of which 67% are now flying officers.

The tremendous expansion of the Air Forces should assure rapid advancement in all branches. And after the war—you'll be ready for the ever-growing opportunities in aviation.

Settle Your Service Now
 The years ahead are war years—and every college man should make his plans accordingly.

To make America supreme in the air we need every college man who can qualify for active or deferred service.

So take advantage now of this option. You may never again have such opportunities.

See your Faculty Air Force Advisor for information and help with details. Join the thousands of America's college men who are enlisting this week!

NOTE: If you are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today.

Sports Summarizing

With
Billy Green

To start another year of "sports news" and occurrences, we the new sports staff take delight in saying that we are taking over something that has been handled with the best of judgment, honor, and good sports writing. Jimmy Gianakas proved to be one of the best editors ever to handle the sports section. With his originality and good management he was able to rake up the goods that sports lovers liked to read.

We shall appreciate your criticism and suggestions during the coming year in our "Sports Parade."

The Pirates seem to have had quite an enjoyable time on their trip to Norfolk last week. Bob Young was quite proud of the great catch he made to put Sam Chapman out. Chapman, "a big timer," had knocked one over the fence the previous time up.

"Big Henry" Aldrich was so sure of striking the mighty "Sam" out that he put up a four-bit bet with some of his fellow teammates. However, Aldrich pitched a good game even though the fifth inning rain did keep him from winning his bet.

In the 1940 football season, the Pirates worked into a good machine, and one that developed into victors of a perfect season with last Fall's undefeated brigade. Our college President, Dr. Meadows, receives much credit for these seasons as he contributed much in finding ways for some of the leading athletes to attend school. Dr. Meadows finds it impossible to attend but few of the games as business keeps him occupied, but he is always back of all the athletic teams and willing to help in any way possible.

You have no doubt noticed the big fellow following the gasoline moving machine around the campus. This youth bears the handle, "Fat" Rogerson, and what time he isn't on class, he puts in hours of time with that machine. A strange thing about this is that he keeps it going steady and at a fast rate of speed.

Rogerson has been a big factor on the football team for the past two seasons at his tackle position. Last season he did most of the kicking-off and easily proved to be one of the best in the South. Well, if "Fat" sticks to that moving machine and Uncle Sam doesn't interfere, we'll be seeing great things from this boy Rogerson next Fall.

Two prominent men in past athletic history of this college have completed their basic training in the Gene Tunney Physical Education program at the Norfolk Naval Base and are now stationed at their respective positions. Donald Brock, whom we all remember for his great basketball ability and sportsmanship, is stationed at Houston, Texas. Walter Rogers, 1940 football captain, is at Pearl Harbor. These are instructors in the Navy.

Six Seniors Sing Swain Song

by Billy Greene

On Monday, June 1, three of East Carolina's greatest athletes, Charles Futrell, Dan Waddell, and Howard Roberson, will receive their college degrees. These fellows have contributed very much by helping the Pirates through many athletic engagements. Norman Mayo, Bob Young, and Jimmy Gianakas plan to graduate at the end of the first term of this year's summer school.

Dan Waddell

Dan Waddell entered school in the fall of 1940 as a transfer from Brevard College. While at Brevard, Dan served on the Student Council, was captain of the football team his second year, and was outstanding as a scholar. Coach Christenbury saw ability in Waddell's football knowledge and made him quarterback on the Pirate roster for the seasons '40-41. Waddell proved to be a fine general and was a main cog in this year's undefeated football undefeated football edition. He was manager of the basketball squad during both years at ECTC. A pet thought of his was to slap the "smelling salts" under player's nose at half-time. "I want you birds to feel ready," he would exclaim with a laugh.

Charles Futrell

Our next hero is the blonde headed boy who never frowns. He goes by the name of Charles Futrell, "Whitie" to his fellow athletes. Charlie has established quite a record during his four years at East Carolina. Being a star in two sports, football and baseball, he has given fans and team-mates much to recognize, in his good sportsmanship and ability. Charlie captained the Pirate baseball outfit this season and proved to be every bit the leader his friends expected him to be. He also served as president of the Varsity Club this year.

Howard Roberson

Someday you will hear of a great invention in the science world. With this invention will be none other than the name, Howard Baxter Roberson. Howard better known as "Bull," is another transfer from Brevard College where he was a standout tackle on the football team and ranked in the upper group scholastically. He entered East Carolina in the fall of 1940 and was an outstanding player on the gridiron that season. He also served on the undefeated Pirate machine last fall, and he stuck to the name "Bull," when being approached by opposing gridders.

Bob Young

Our out-going sports editor, Jimmy Gianakas, comes next in line. Jim transferred from Mars Hill College in the fall of '40, and upon setting foot on the ground old of ECTC he made the comment, "Some place won't it?" We all know Gianakas for his leadership, wit, and ability to do many things. As captain of the 1941 football team, Jimmy was tops. He was heads up at all times, and his decisions were always for the good of the team. He was chosen on the Little All-American football team of 1941.

Norman Mayo

All of us will remember the heartbreaking accident last fall which came when Bob Young received a head injury in the first game of the season. Even though injured, Bob stole the show that day as he picked up an average of 11 yards per try, and accounted for three of the five Pirate touchdowns.

Bob transferred from Brevard College in the fall of 1940. While there he stood out in basketball and scholastics. He has made the honor roll here every quarter with the exception of one. Playing three sports, football, basketball, and baseball, and being a "whiz bang" in all three, easily makes him the outstanding athlete on the campus.

Jimmy Gianakas

The sixth member of our honor group came to East Carolina Teachers College from Plymouth High School, and showed his ability to make friends right off. Norman served for three seasons on the football team and has been a big standout for the Buc baseball team during his four years here. He has ranked among the top in hitting every season and was number one in batting this past season.

Training Station Defeats Pirates In Monday's Game

The Naval Training Station of Norfolk downed the Pirates of East Carolina, 12-3, Monday afternoon at the Guy Smith Stadium. The game proved to be a much closer battle than had been anticipated by the three hundred fans who attended. These fans had the opportunity to cast their eyes on some big time sluggers and were apparently well pleased by the performance shown by these men along with the "do it or die" attitude of the Christenbury-men.

Dick Gaudin hurled the entire engagement for the Teachers and held Sam Chapman, Norfolk clean-up man to only one hit for four trips to the plate. Of course Chapman hit some fine ones into deep center and right field, only to be robbed by speedy Bob Young and Buddy Murray. Sammy Crandall managed to get his mitts on one of Chapman's slurs also.

Radunish did the dirty work on the mound for the sailors, and really gave the Greenville boys something to look at. Radunish was relieved in the sixth by Carl Wray, ex Mars Hill and Wake Forest athlete.

Leading the Teachers at the bat were "Shorty" Tripp, who grabbed two hits for four trips, and Wiley Brown who got two hits in three trips and played a bang-up game at short stop, being pulled in from center field due to Brant Waters' being laid up with poison ivy. Waters has been the stalwart at the short stop position this season. Other hitters of the day for the Teachers were, Murray, Mayo, Young and Sisk, each with one for four. For the Pirates, Carlin, ex-piedmont Leaguer, got three hits for four trips, closely followed by Carl Wray with two for two. The other hits for the Navy were scattered with Chapman getting one for four, Rosa, one for four, Preibisch, one for five, and DeJours with one for five.

WAA Plans Retreat To Nearby Beach Tomorrow Night

by Claire Jenkins

All of the organizations on the campus have been having their "retreats," so the WAA is retreating to Bayview this week-end. If you see some of the girls on campus Monday morning looking as though "they had been drug through..." just look at their sunburns and know that they had a glorious week-end. Fifty members will leave Saturday afternoon on Mr. Rick's bus (due to gas and tire rationing), chaperoned by Miss Dorothy Parks, Miss Mary E. Humphries, Miss Lena C. Ellis, and Miss Audrey Dempsey.

Off the record, the Junior-Freshman team with Lindsey and Parker pitching won the majority of games over the Sophomore-Senior team with "Dally" and "Sit" in the pitcher's box. The good work by Sophomore Bartholomew on first base was mighty handy up with the "bucket." For the Freshmen, "Dot" Peele excelled on first base with that left-handed catch. As far as short stops go, Leggett can't be beaten! "To wind up," Porky House really swung out with those home runs, and it is hoped that

Bucs End Athletic Season

Pictured above are the six senior athletes who will graduate this year. Top row: Howard Roberson, Charles Futrell, Bob Young, Dan Waddell, Jimmy Gianakas, and Norma Mayo.

Pirates Score One Win, One Loss On Norfolk Trip

The slugging Pirates of East Carolina made quite an impression with their trip to Norfolk last week. On Monday, May 11, the sluggers downed the Norfolk Naval Air Station 11-1. "Dick" Gaudin, Teachers' Ace allowed only eight hits for the afternoon while the mighty Teachers slugged sixteen hits from Carmanskie and Hepler who shared the pitching for the Air Station.

Buddy Murray, Teachers' Catcher, came to the plate five times and grabbed three hits. Brown slipped out three for six, Futrell, two for four, Waters, two for five, and "Dick" Gaudin, two for four. These were the leading hitters of the day for the Teachers; however, the entire team got at least one hit for the afternoon.

In the second day's engagement, the Pirates were slightly the underdogs, losing to the Naval Training Station, 24-5 in a game which ended after five and one half innings had been played.

Of course, much is to be taken into consideration as the Training Station carries nothing less than "Pros of last year." Big Sam Chapman had quite a day, although "Rabbit" Bob Young did outrun one to the fence and caught Sammy out, to rob him of a good hit. This man, Sam, had just cleared the fence the previous time to base and was "hankering" for another ten-foot clearance.

The game scheduled for Wednesday, May 13, with the Naval Hospital team was called because of rain.

her batting average will come up to that of Miss Parks. "Dally" has really taken a magician's role in pulling out of the hat the transportation to Bayview, and this is representative of the fine leadership the WAA has possessed throughout the year.

Football Team Most Successful

East Carolina Teachers College has completed one of the most successful athletic years in the history of the school. An untied, unbeaten season in football and fifty-fifty for basketball and baseball.

Things looked dark at first in football with only a group of fourteen men turning out for practice the first week, however, "Coach John" got down to business and found several good prospects that were interested in going to school. This same group he developed into a combination that whipped everything it went up against. The gridders probably hit their stride when they defeated Bergen College in New Jersey, to whom they won their first defeat in three years.

Basketball season then rolled around, and again prospects looked dim. With only two of last year's first stringers back, Coach Christenbury was a little uneasy about the season's outcome. By drilling and working day after day he developed a fairly good outfit in Watson, Bob, and Jack Young, Wiley Brown, and Clyde Mann. These were supported by several promising reserves of which should prove to form a good outfit for next year's season.

By the time baseball season came, the war situation made things look bad from every angle. There was schedule trouble because of the tire shortage and several schools dropping athletics. However, after mapping and working around, Coach Christenbury was able to find several teams which proved to make games of interest for the Pirates.

By winning seven and losing seven the Teachers ended up with a .500 average which is good for any small college team under present conditions.

It has been a happy year for everyone in athletics, and we are sure that with the same spirit and interest, next year's athletic teams will prove to be just as successful.
