Wednesday, April 11, 1934.

Is Sponsored By W. A. A. And College Athletic Committee.

Day Will Begin With a Par ade Of Contestants Ar Officials.

Faculty Members Will Ac As Judges Of Sports.

Plans are now under way for a Field Day to be held about the middle of May. The day will be observed as a holiday, and no classes will be held.

This day is expected to be or of the biggest events of the school year. If it is a success, it is generally expected that it will be made an annual affair. President Wright and the Athletic Committee as well as members of the student body are very interested in this event. In addition to the Field Day, plans are being made for a stunt night, be held on the evening of the same day.

To make this day the success that is anticipated, it will take the cooperation of every member of the student body. The plans are not yet completed, but the officers and committees of the Woman's Athletic Association with the help of the College Ath letic Committee are now work ing on them. The present plans

are given here. Both boys and girls will compete. Any student of the college may enter, for membership of the Athletic Club is not required. The six classes will compete against each other in the activi- St ties and faculty members will be R asked to act as judges of the events. Members of the student body who are not entering any

athletic event will be asked to

help officiate. The day will begin with parade of the contestants and officials. After the parade the athletic events will take place. Some of these events will in- | wi clude fifty, one hundred, two fin hundred twenty yard dashes; relay races; barrel rolling; horse- w shoe pitching; chinning the bar; throwing baseballs, basketballs, and rolling pins; football punt and throw; javelin throw; shot put; sack races; hop and skip relay; high jump and broad jump; and many others. These contests will be governed according to

standard track rules. In order that all sports may finish on scheduled time, they will be conducted as a four ring circus, with several contests going on at the same time. The races will start and finish in front of the grand stands, and the other events will be arranged so they can be easily seen by the spectators. It will be necessary for all players, as well as spectators to stay in the stand. There will be announcers to announce beginnings of the con-

tests and the winners of them. At 11 o'clock these field events will stop, and, if possible, there will be a baseball game between a student girl's team and a faculty women's team. This game has not yet been arranged, but plans are being made for it. gar

At 2 P. M., the finals in the his tennis tournament will be held. a There will be boy's singles, girl's singles, and mixed doubles. If ing possible, there will be a game between the faculty and students. tie At 7:00 P. M. Stunt Night will grain begin in the Campus Building. Each class will be given fifteen minutes to arrange its stage ser setting, give the stunt, and clear alo the stage. The stunts will be "M judged on their originality, pre- mo sentation, stage setting and cos- On tumes. When the stunts are nin finished there will be a social hour. After this the winning class will be announced, as well in as the individual class and school of

emation will be given later.

LITTLE AUBREY

Even though little Aubrey's bituaries were printed in the ast issue he is not dead yet ecause he went to Washington. D. C., Easter. He and Louise Caylor were looking at the tomb of the unknown soldier and Louise inquires "Who is the unmown soldier anyway?" Little Aubrey just laughed and laughed out we can't imagine why.

Little Aubrey is kinda growing ip now and has a girl, and stuff ike that, so he went to the florst to choose an Easter corsage her. When he got there he ould not decide between caulilowers and dandelions and so he left. He went home and he ust laughed and laughed 'cause knew all the time that cauliowers aren't flowers.

When Little Aubrey was at t. Vernon, Easter, he bought ome ice cream and he thought n cents was an exorbitant price or it but he just laughed and lughed 'cause he knew that the lver spoon he snitched would nore than make up for it.

The other day little Aubrey limbed up the flagpole to see he flagpole sitter that gathers much scandal. Little Aubrey all when he was about half way b, but he laughed and laughed ause he knew all the time here wasn't anybody up there. Little Aubrev told his girl he as going to buy a new streamned car and he just laughed and laughed 'cause he knew all the time he didn't have any
