National Frat Selects Deal As President

Sigma Pi Alpha Chooses ECTC Professor At Meet

Professor R. C. Deal was elected national president of Sigma Pi Alpha, honorary language fraternity, at its annual congress, which was held at Brevard College recently.

Mr. Deal was founder and has been faculty adviser for the French Club here since its beginning in 1925, when it was organized under the name of La Societe Francaise. In 1926 the name was changed to Phi Sigma, and it has been known as such until the time of its affiliation with the national fraternity, since which time it has been known as the Phi Sigma Chapter of Sigma Pi Alpha.

Active in the local chapter of the fraternity, Mr. Deal was instrumental in seeing that delegates were sent from the Phi Sigma Chapter to the national congress.

Annie Hart Boone, incoming president, and Cassie Hudson, incoming secretary-treasurer, represented the local organization. At the instruction of the chapter, the delegates invited the congress to meet here next year, and the invitation was accepted.

There were about twenty-five members attending the congress, representing three chapters—those of State College, Brevard, and East Carolina Teachers College. Reports were made from each chapter, Annie Hart Boone submitting the report from Phi Sigma.

Plans were made at the meeting for an annual publication, with an editor-in-chief from each chapter. (Please turn to page four)

Future Teachers Organize Branch On Campus

Second Chapter Located Here

On May 12, 1939, a local chapter of the Future Teachers of America, the junior branch of the National Educational Association of the United States, received its charter and won the distinction of receiving the second national charter of the organization in North Carolina. The charter values the date of its charter also because it is 1939, the year of America's Centennial of Teacher Education. The purpose of Future Teachers is to help develop professional ideals of future teachers, and the organization offers many attractive means toward this aim.

For the present membership of the chapter here is confined to the class in English 204 where it was organized as an integral part of the work. Next fall the membership (Please turn to page four)

ECTC Baptists Hold Vespers

Vesper service at Meredith, May 7, was conducted by a group of ECTC Baptist students. Those who participated in the program were Ora McHan, who led the devotional; Maude Melvin, singing two selections, "Open the Gates" and "The Lord's Prayer"; Sybil Daughtry, who spoke of "Testimony on Summer Service in Home Church"; and India Hill, who concluded the program with a talk on "Summer Service in North Carolina for Christ."

Preceding the program, the council was served a picnic supper by Meredith's BSU council. Next fall Meredith's council is planning to visit ECTC.

Social Science Club Organized; Plans Announced

Madelyn Powell Elected President Of Campus Group

A few weeks ago about twenty-five social science majors met for the purpose of organizing a Social Science Club, in order to promote the field of social science and the study of social science problems. A committee consisting of Prof. M. L. Wright, Dr. Beecher Flanagan, Miss Madelyn Powell and Mr. Sidney Mason, was appointed to frame a constitution. At 7:00 p.m., Tuesday evening, May 16, a group of social science majors met, with Prof. Wright acting Chairman, and voted unanimously to accept the constitution presented them by the committee after the same had been presented by Miss Powell.

After adopting the constitution, the group elected Miss Madelyn Powell as President; Mr. Chas. (Please turn to page two)

Edith Redwine Dies May 10

Miss Edith Redwine, sister of Miss Ann Redwine of the college faculty died Friday morning having been ill for some time. Miss Ann Redwine had gone to her bedside at Banner Elk Hospital, Wednesday, May 10.

Miss Edith Redwine was an outstanding person in the profession of nursing and was instructor of nurses at Banner Elk Hospital.

At one time she was superintendent at St. Peter's Hospital in Charlotte, was on the State Examining Board of nurses, and was active in the Registered Nurses Association of the state.

Funeral services were held at the home at Monroe.

Dick Stabile To Furnish Music For Dance Saturday Evening

Quarterly Prom To Begin At 8:00 P.M.

DICK STABILE

Dick Stabile, romantic young wizard of the saxophone, and his orchestra will furnish music for the College Dance to be held Saturday evening, from 8:00 until 11:45, under the auspices of the Social Committee and the Poe Society. Featured with the orchestra is Evelyn Oaks, vocalist.

Formerly concert master of Ben Bernie's orchestra, Stabile organized his own band about two years ago and in a record-breaking short time has become established as one of the leading orchestra leaders in this country. He is acknowledged in professional music circles to be the finest technician of a saxophone since the instrument was invented. Stabile also plays the clarinet and sings.

Mr. Stabile has been in several musical comedies, including "Strike Up the Band," "Captain Jinks," and "Sunny." Also, he has made

a series of musical shorts for Paramount. He holds the record at the present time as the orchestra leader who hits the highest note on the saxophone.

A figure will take place during intermission, led by Joyce Harrell, chairman of the Social Committee. (Please turn to page two)

Faculty Women Make Speeches, Attend Educational Meetings

Four Teachers Address Local Organization

Most of the women on faculty have been very active in town clubs, have attended various educational meetings, and have spoken in different places in the state.

Four at the "End of the Century Club," of Greenville.

These include Miss Hooper, Miss Lewis, Miss Coates, and Miss Rose. Those who spoke at the Woman's Club in town are Mrs. Bloxton, Miss Holtzclaw, Miss Jenkins, and Miss Greene and the latter also spoke at the social club. Miss Lewis spoke at the Woman's Club in Scotland Neck also, and Mrs. Bloxton spoke at the Pinetops Garden Club and at a Mother-Daughter Banquet in Jasper, N. C. Miss Charlton recently spoke to the Daughters of Confederacy at Mrs. Deal's.

During the Fine Arts Festival recently held in Greenville three women of the faculty were in the program. They were Miss Ivey, Mrs. Bloxton, and Miss Grigsby.

Several have talked at county meetings. Miss Lewis taught finger painting at Stokes at one of the county teacher's meetings and Miss Redwine and Miss Rainwater also spoke at one of these meetings. Miss Coates, Miss Rainwater, and Miss Christine Johnson were judges at a reading and speech contest held in (Please turn to page four)

Bishop Darst Stirs Audience In Address Here

Church Leader Is Guest Of Student Group

"Plant your banner of victory on the top of the last bulwark, take your standard of Christianity to the highest peaks. This is no time for fear and hopelessness to triumph. We must not fail in God's cause." With these stirring words, the Rt. Rev. Thomas C. Darst, Bishop of the Diocese of East Carolina, brought to a close his challenging address to approximately fifty Episcopal students assembled in Friendly Hall last Saturday evening for the annual banquet in honor of the church leader.

"It is true that we are faced with a world that trembles on the brink of war and disaster," stated the Bishop as he began his talk. "We are apt to lose faith, to become disillusioned and fearful when we see hatred, selfishness, and greed in the hearts of men about us. But we, as soldiers of a living God, cannot adopt an attitude of defeat."

The Episcopal leader continued with the statement that the young people of today must hold to the high standards of ethics and morality as taught by Jesus if Christian civilization was to be preserved. "Our modern social scheme needs Christian mothers and Christian homes as we have never needed them before," declared Bishop Darst in commenting on Mother's Day.

The prelate's address reached a climax as he challenged his audience with the statement that "there is a glorious, a beautiful, a wonderful hope for the followers of Jesus in a world that needs courageous adventurers for the cause of Christianity."

Bishop Darst preceded his serious talk with a series of humorous stories that kept his hearers in laughter for several minutes.

Louise Elam, ECTC senior, was toastmistress for the occasion, and (Please turn to page two)

College Paves Campus Road

New paving is being laid directly behind Wilson Hall on the back campus. The pavement will cover a distance of approximately sixty yards and will extend to the end of the west side of Wilson.

The construction is under the direction of Mr. Moseley of the college force. The work is being done by regular college help with two additional hired workers assisting. The pavement will be completed within the next week.

Funds for the construction are being furnished by the college.

Driscoll Presents Keys To Editor, Business Manager

The Teco Echo took first honors in its class in the state newspapers contest sponsored by the North Carolina Collegiate Press Association. The award was made at the spring convention of the Press Association held in Greensboro with WCUNC as host May 4, 5, and 6. Competing in the Class B division which includes Wake Forest, Davidson, Greensboro College, Lenoir-Rhyne and others, the local paper was adjudged the best in its bracket.

State College, Duke, and WCUNC composed the Class A division.

Billy Daniels of Wilmington, editor of the Teco Echo, and Miss Lucille Johnson, Ayden, business manager, as heads of the winning paper received gold keys which were presented by Charles B. Driscoll, writer of the column, "New York Day by Day." Mr. Driscoll took over the column on the death of O. O. McIntyre.

The Teco Echo received the commendations of the collegiate press officials for the excellence of its news writing, make-up and pictorial display. For the first time in its history, the Teco Echo has used the new type of "streamlined" make-up and "left flush" headlines.

In a recent national rating by the Associated Collegiate Press, the paper was ranked as "Good." The sports page under Jack Daniels, (Please turn to page two)

Publications Associates Elected

In the elections held Tuesday, the associate editors for the two campus publications and the business staff of the Teco Echo were elected for the school year 1939-40.

On account of a mistake in the listing, the business staff of the Teco Echo was not elected in the same election but will be chosen sometime during the next week.

Those chosen on the editorial staff of the Teco Echo were Dorothy Dalrymple, Ida Farrior Davis, Ethel Gaston, Katherine P. Lewis, Lindsay Whichard, and Bill Merner. Those for the business staff of the same publication were Lucy Ann Barrow, Mary Helen Galledge, Ursula Carr, Jessie Keith, Sarah Britt, and Eva Carter. Chosen on the editorial staff of the Teco Echo were La Rue Mooring, Ethel Padgett, Barbara Keuzenkamp, Thornton Ryan, and Elizabeth Meadows.

Delegation Goes To Wilmington

A delegation of 22 people, including four faculty members left Greenville early Thursday morning, May 11 and spent the day visiting places of interest in and around Wilmington.

Just before entering the city the party was met by a patrolman who escorted them through Wilmington.

The Purol Gas Terminal, the storage plant for the 5 leading gases in North Carolina, was the first place visited. The crowd then dispersed to meet again at Kures Beach at 2:00 o'clock.

Near Kure's Beach they visited the Ethyl-Dow Chemical Plant. Here they were shown all the processes—beginning with the taking of bromine from the sea water to the mixing of bromine with bromide to make thylene bromide an anti-knox substance in gasoline.

During the day both Wrightville and Carolina Beach were visited.

YMCA Holds Regular Meet

The newly organized Young Men's Christian Association held its regular weekly program last Tuesday evening at 7:45. This is the second of meetings to be held.

Vance Chadwick, secretary of the Association, rendered a timely talk on "What He Means To Us." As examples he used the student and Christ to show how the opinion and help of others influences life on the campus. Immediately following the regular program the cabinet held a short meeting to discuss plans for next year.

FINALE

The moving finger writes, and having writ, moves on. . . Thus another staff of the Teco Echo completes its year of work on this publication. What this newspaper has meant to the student body of East Carolina Teachers College during the year 1938-39 is impossible to determine at this time.

Through its editorial policy, the Teco Echo has endeavored to interpret and express without fear or favor the opinions of the students of this college. This publication at times has taken the lead in advocating changes and reforms in matters pertaining to student life.

(1) Increase in the amount of the Student Activity Fee which funds were used to aid the athletic program and furnish uniforms for the band.

(2) Restoration of the nightly dancing period.

(3) Improvement of food served in the college dining hall.

(4) Adoption of plans calling for a revision in the Constitution of Student Government.

Our editorial policy has not been one of constant criticism and agitation, for this publication has always been ready and eager to commend heartily any individual or organization for its accomplishments.

During the year, the Teco Echo has published two special editions. The first special issue was in the form of an eight-page "Goodwill Edition" of which over 3,000 copies were distributed to the people of Greenville.

But, the Teco Echo staff of 1938-39 has completed its work. With the next issue of the paper, a new staff takes over the task of its publication. We have enjoyed serving the student body in this capacity. We stand now as we have stood always—for a bigger and better ECTC.

THANK YOU, MR. ADVERTISER!

The merchants and other business men of Greenville have shown a splendid spirit of cooperation in buying advertising space in this publication. This staff appreciates greatly that cooperation which has helped tremendously in giving to East Carolina Teachers College a readable newspaper.

WHERE IS IT?

Some months ago this student body in mass meeting adopted a resolution calling for a new constitution. The purpose of such a constitution was to set up a framework of student government that would more adequately and efficiently carry on the business of the entire student body.

Time has marched on. To date that committee has reported nothing in the way of a new constitution. The instructions of the student body as expressed by a majority in mass meeting have been ignored. Should not the leaders of student government either force that committee to report or appoint another committee to carry out the desires of the student body?

The students of East Carolina Teachers College have called for a new constitution. Where is it?

CENTENNIAL

Mr. A. B. Andrews of Raleigh, member of the board of trustees of East Carolina Teachers College, has placed in the college library the first four volumes of The Common School Journal, edited by Horace Mann.

These issues of this school magazine will prove to be of particular interest to the faculty and students of the college for several reasons. They are old. The first issue appeared in November 1838, almost one hundred and one years ago.

We neglected to mention—all right, we forgot—in the first paragraph the purpose of the Perfoovian Expedition. It was to capture the Foodreackisacki, only remaining specimen of a (confidentially) extinct species of Sp?x.

After three days at the same village of Put-it-on-the-Cuff we came in sight of the Electric Range of the Tutti Frutti Mountains.

It is therefore altogether fitting that the year 1939 should be set apart by the teachers colleges of America as one for the celebration of a century of progress in teacher training.

Miss Zoe Anna Davis, Methodist Student secretary, accompanied the cabinets as counsellor.

Those making the trip were Marie Dawson, Sarah Ann Maxwell, outgoing and incoming "Y" presidents, Susan Evans, Margaret Lawrence, Lillian Parrish, Lucy Ann Barrow, Irene Mitcham, Rebecca Ross, Wilda Royall, Betty McArthur, Ora McHan, Celia Blanche Dail, Doris Blacklock, and Annie Allen Wilkerson.

Turning her attention from political and social problems to the individual lives and customs of the people of India, the speaker said that Christian students in her country desire to build a life of Bible study so that the Bible will speak for itself.

At the conclusion of the lecture, she answered questions about the social, economic, and religious life of India.

CAMPUS BREVITIES

INITIATION PARTY

At the initiation party of the English Club, new members were admitted after being submitted to a quiz, given by Professor Quizz-right, over station ECTC, located in the "Y" Hut of East Carolina Teachers College.

Candidates were given three questions and if answering two correctly were admitted into the membership of the club. Those not meeting requirements were asked still further questions, and being successful at a second trial were also admitted.

After the business had been dispensed with, the club members enjoyed a social hour together in which music, dancing, and refreshments featured.

TO WEST POINT

Roule Mozingo, ECTC freshman from Swannanoa, N. C., has recently received an appointment to the United States Military Academy at West Point. He is to report for duty on July 1, 1939.

He graduated from the Asheville Farm School last spring with honors and since he has been at ECTC made the honor roll every term. Due to his high scholastic standing he was exempted from the usual mental examinations. However, he had to go to Atlanta, Georgia, to stand the rigid physical examinations, which he passed with flying colors.

numerous toasts, songs, and stunts provided entertainment for the banquets. Miss Elam made the address of welcome and the response was given by Billy Daniels.

Miss Venetia Cox, missionary to China who is spending part of her furlough in Greenville, was a guest of the student group. Other guests were the Rev. Walter R. Noe, Executive Secretary of the Diocese of East Carolina, and the Rev. A. C. D. Noe, rector of North Carolina's oldest church at Bath.

Miss P. W. Picklesimer, Episcopal Student Worker, was in charge of the arrangements for the banquet and was assisted by Miss Estelle Green.

Three Plays To Be Presented

Three one-act plays, Sham, The Elopers, and Wedding Clothes, will be presented by the Ki Pi Players in the Austin Auditorium at 8:00 o'clock on Tuesday night, May 23.

Sham, a comedy of manners, full of laughter and amusing situations, is under the direction of Bruce Harrison. Those composing the cast are Victor Workman as Charles, the householder; Nancy Page as Alice his wife; Ward James as the thief; and Robert Musselwhite as the reporter.

The Elopers, a farce-comedy, is being directed by Iris Davis. Appearing in this are Lucy Ann Barrow as Phyllis Gerard; Merwin Frazelle as Roy Conklin; Thadys Johnson as Mrs. Gerard; Phyllis' step-mother; and Alton Payne as a policeman.

Wedding Clothes, directed by Margaret Guy Overman, is of a more tragic nature, depicting a situation in which a rural couple sacrifice to prepare for a wedding which has already taken place unknown to them. Characters in this play are Mr. Moore, a farmer, played by Bruce Harrison; Mrs. Moore, his wife, played by Marie Tripp; and Mrs. Sampson, a neighbor, played by Mary Elizabeth Eagles.

Jean Abeyoumis, Freshman: Yes, because the students gain some knowledge from most of the programs.

Yes, these swallowing games in the United States seem to be popular these days. Read where two biology students swallowed young birds the other day. Their stomachs and appetites must have been in good shape because neither the young birds nor their nerve did them harm. Such crust boys!

A sidelight from the Associate Collegiate Press: It is going to take Ohio State University's dean of men some weeks to recover from a shock he received in the mail the other day. Read the following excerpts from the letter and you'll discover why: "I would like to take this opportunity to thank you for expelling me from the University. That was the finest thing that ever happened to me." Which is undoubtedly the first of its kind ever received by a U. S. educator!

Appreciation: One cannot overlook the success of the Teco Echo this year. With good editorial and business staff plus the energy of both editor and business manager, the Teco Echo has left its mark as one of the successful things done at East Carolina Teachers College. To the Editor and business manager as well as the staff of the Teco Echo the Student Body of this college says, "Congratulations!"

TO THE PRACTICE TEACHERS

Sign up now for the time will come soon. When you will have your own little room. With boys and girls with the exuberance of youth. Who must I tell you, be told the truth. If truth is not forthcoming my friends You soon will have to account for your sins. So you see—you must teach them something by heck. Or the school committee won't ask you back.

It is with great satisfaction that I look back over the year. Among the things accomplished was the success of the Phi Sigma Pi, National teachers' Honorary Fraternity.

Under the sponsorship of Dr. Flanagan and the leadership of the president, the fraternity enlarged its membership by more than thirty members. Besides the increase in numbers the fraternity had a successful carnival and a "womanless" wedding, both bringing large returns.

The peak of this year's success came with the Founder's Day Banquet on May 12. At that time the Honorable Fodie Harding of Greenville, was made an honorary member in the presence of fraternity members and their guests.

One cannot but feel proud that such a fraternity is on the campus inspiring leadership, fellowship, and scholarship among the student body.

Phillips Hurls Four Hit Game
While right-hander Willie Phillips was holding the diamonders of WCTC to four hits and one score, the Pirates from East Carolina laid down a barrage of 12 bingles to push six runs over the plate and win the ball game in easy fashion. The contest was the first of a two game series with the Westerners, played at Cullowhee, May 8 and 9.

The lanky moundsman of the Pirates had too much on the ball for his opponents. It was not until the last frame that the Mountaineers succeeded in getting a runner across the plate. Three of the hits given up by Phillips were of the scratch variety.

Hinton, with three hits for five turns at bat, Breece with two blows for three times at the plate, and Shelton and Ridenhour each with two for five opportunities proved to be the big guns in the offensive staged by the Easterners.

The Pirates began their scoring in the third inning as a walk and two hits accounted for a brace of markers. In the sixth stanza, the boys from back east again launched a scoring drive that was responsible for four runs. This quartet of scores placed the game on ice, and Phillips and his mates coasted through the last three innings on a comfortable margin of victory.

Pirates Win Season Finale

Norfolk Sailors Bow to Locals By 10-9 Score

Hinton, Shelton Get Homers
A score by Norman Mayo on Joe Hatem's tenth inning sacrifice bunt enabled the Pirates to wind up their baseball season with a 10-9 win here over the Naval Base nine.

The Norfolk Sailors got off to an early lead by scoring eight runs in the first four innings, but three-run homers by Bill Shelton and Floyd Hinton put the Teachers back in the ball game. Hinton's blow coming in the eighth inning knotted the score at 9 all.

"Lefty" Roebuck, after relieving Willie Phillips on the Pirate mound in the fourth inning, pitched one-hit ball the remainder of the distance to pull the game out of the fire.

Hinton with five for six and Shelton with three for five were the big guns of the Teachers' batting attack.

Williams, with a double and single out of four trips was the only sailor to get more than one base knock.

Deacons Take Buc Courtiers

ECTC's tennis team rung down the curtain on the year's activities by dropping a 5-2 decision to Wake Forest on the Deacons' home courts. The defeat left the Corsairs with a season's record of five wins and four defeats.

Leo Burks and Doug Glover won their singles encounters for the Pirates only points. Leo and Doug lost a combined total of only five games in trouncing the top-ranking stars of the Demon Deacons aggregation. Both boys have gone through the season with the loss of only one singles match out of nine played.

Charles Green's loss to Wake Forest's Davis was the only extra set match of the meet. Green rallied to take a close second set after the Deacons had won the first, but Davis had too much in reserve and ran through the third set at 6-2.

In the No. 1 doubles, Davis and Cahoon became the first doubles team this season to defeat Burks and Glover. The Pirate pair had previously triumphed over these same two Deacons on the local courts.

No. 1—Alexander, Wake Forest, lost to Burks, ECTC, 1-6, 2-6.
No. 2—Darlin, Wake Forest, lost to Glover, ECTC, 1-6, 1-6.
No. 3—Earnhardt, Wake Forest, defeated Harris, ECTC, 6-1, 6-2.
No. 4—Davis, Wake Forest, defeated Green, ECTC, 6-3, 4-6, 6-2.
No. 5—Cahoon, Wake Forest, defeated Meadows, ECTC, 6-1, 6-3.

Doubles:
No. 1—Davis and Cahoon, Wake Forest, defeated Burks and Glover, ECTC, 6-3, 7-5.
No. 2—Earnhardt and MacMillan, Wake Forest, defeated Harris and Green, ECTC, 6-0, 2-5.

The College Music Department gave a number of further selections. The retiring president, Fodie Hodges, gave a welcome to the guests and presented the speaker.

The banquet was served in the College dining hall, and was followed by dancing in the "Y Hut."

Guests of honor were Dr. and Mrs. Beecher Flanagan.

The ECTC Chapter of Phi Sigma Pi now has nearly 56 members, 27 of whom are undergraduates.

Panthers Take Two In Row
Coach Gilbert's Pirates dropped the second game in a row to the Panthers of High Point College by a score of 4 to 3 in a contest staged in the victors' back yard. The East Carolinians hammered out 13 hits as compared with the Panthers, but did not make the most of their opportunities for scoring.

Wells hurled for the Pirates and was rather wild at times which offset to some degree his ability in preventing the Panther batters from hitting safely.

High Point had one big inning, the fourth, and sandwiched two walks between two hits to score three runs. In the eighth stanza, the victors added another marker by virtue of two hits. Two of the Pirates scores came in the fourth inning as a result of an error and two hits. The East Carolinians did their final scoring damage in the eighth frame as two safe blows brought in one marker.

Shelton, scrappy shortstop, led the Pirate batters with four hits out of five trips to the platter. Mayo with three safe blows, and Northcutt and Wells with two hits each also contributed materially to the offense of the Teacher nine.

Figures Prove Pirate Netmen Have Good Year

Recent surveys by the Tecoco Echo sports staff revealed that East Carolina's men tennis team closed successfully their second season of intercollegiate competition, ending up on the winning side of the score sheet, with five wins out of nine conflicts. The Pirates brandished their bludgeons in the face of a tough field of competition, and braving bad weather and limited funds, showed their Alma Mater that there is a great future ahead for intercollegiate tennis.

The Bucs won a total of 42½ points, yielding only 34½ tallies to their opponents. Half-points in the score are due to tied matches, called because of darkness.

They recovered the Bo-Hunk Trophy in their first defeat of Atlantic Christian. The next week they retained it by thrashing the Bulldogs again in a 9-0 landslide.

Leo Burks and Doug Glover took honors for the season by hanging up duplicate scores of 8 wins, one loss in singles, and the same record in doubles, 8 wins, 1 loss. The Burks-Glover combination put on a court circus in every clash with opponents. Burks' steadiness and Glover's spectacular put-away shots kept the galleries murmuring continually. Their only defeat was a 6-3, 7-5 affair at the hands of Davis-Cahoon of Wake Forest in the second tilt between the two schools. Davis-Cahoon lost their match in the first meeting with the Pirate duet here.

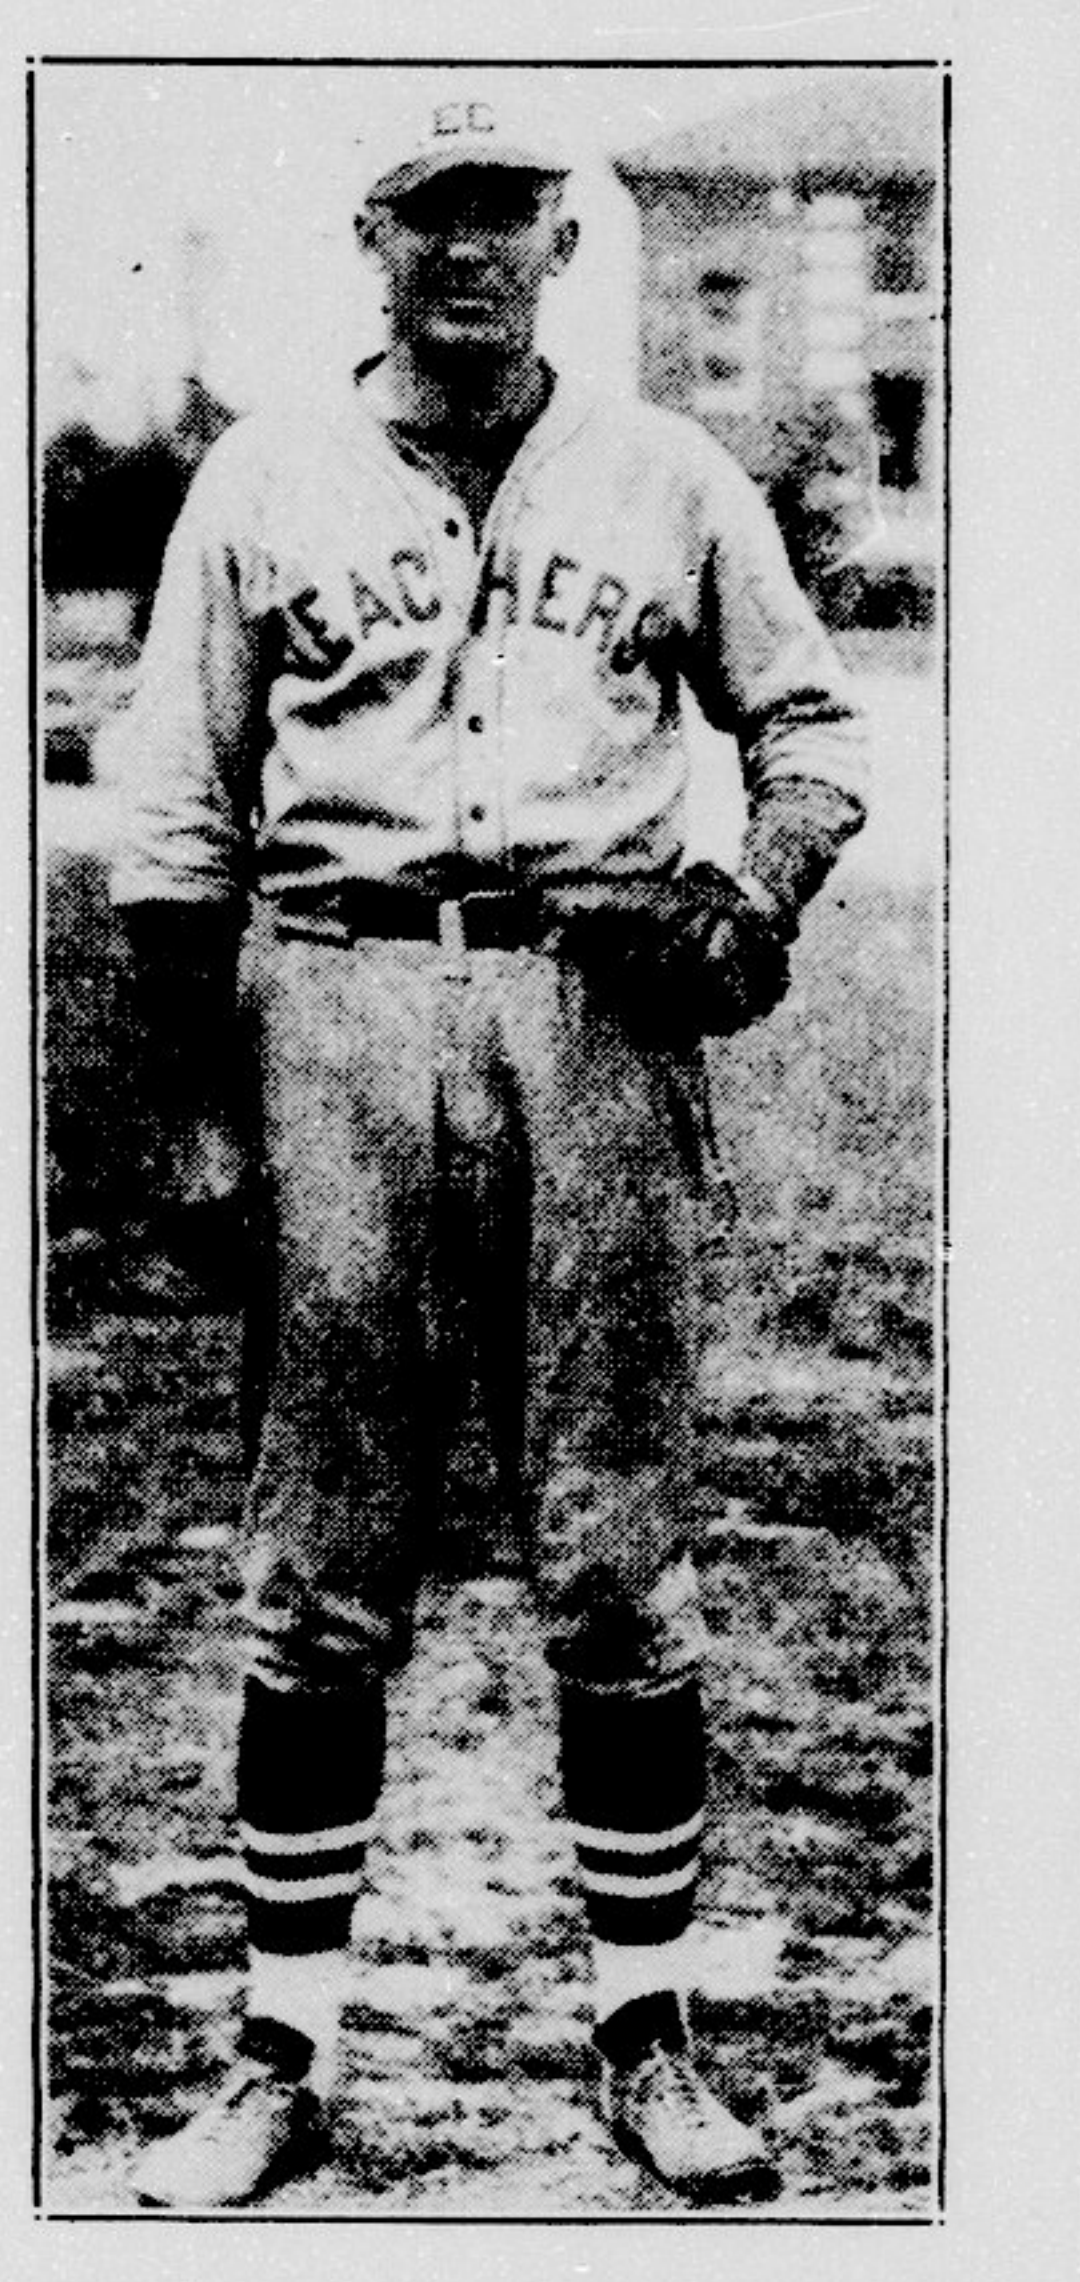

The squad was fortunate this year to have as their first coach Dr. H. C. Haynes, of the faculty, who was quite instrumental in establishing the sport, which is in its baby stages at ECTC.

Racquetters Defeat Oak Ridge By 5-4 Score In Overtime Meet

Results Hinge On Final Doubles Match
Oak Ridge's Cadets dropped a close match to the Pirates' tennis team here by a 5-4 score. The outcome of the meet hinged on the final doubles match, the last set of which had to be played off on the following morning.

Leon Meadows' hard-fought 7-5, 9-7 victory over Oak Ridge's Funderburk was the feature match from the local standpoint. Meadows was in his best form in winning this lengthy affair.

Another outstanding attraction saw Cole of the Cadets come from behind to defeat Charles Harris after the "Marshallwig Flash" had run through the first set at 6-2.

Leo Burks and Doug "Ruffin" Glover, mainstays of the Corsairs team, came through with their usual scintillating performances to capture both their singles and doubles with little or no trouble.

David Breece, playing his first collegiate match, lost an extra set affair in the No. 6 singles to Pelletier of the Cadets. Dave gained revenge, however, when he teamed with Meadows to capture the final doubles in three sets.

Bucs Win Seven, Bucs Lose Seven As Season Ends

East Carolina's marauding seafarers ended their season's voyage last Friday with the Naval Base game to hang up a final game record of "seven-up" and one tied contest. As the season drew to a close, Buccaneer fans began to wonder whether Gordon Gilbert's nine would finish on the winning side or not. Prior to their final game of the year the Bucs were on the losing end of the scoreboard with seven losses, six wins, and one tie. Their closing victory put them just par with a .500 percentage.

The 1939 club strove in vain all season to measure up to the standards placed before them by their predecessors of the 1938 season, who brought home the enviable record of 16 wins in 19 games, and hung up the best percentage of all time, .842.

The Corsairs worked under a serious handicap all during the 1939 season, having lost Bill Holland and "Jew" Ayres, who sparked the squad a year ago. Holland, signed (Please turn to page four)

Hitters Lead Club With High Season Averages

Team Average Reaches .300

Ringing up scores that will rank with, if not top state collegiate batting averages for the past season, "Smitty" Smith and Bill Shelton lead the Buccaneers with percentages of .531 and .426 respectively.

Although Smitty brought in the biggest percentage of hits per time at bat, Shelton is considered technically the leader of the squad because of the number of games he played. Smith played in seven of the fifteen games on the Buc schedule, a percentage not large enough to be justly compared with Shelton's fifteen games played, because of the fact that a greater number of games played tends to pull a batsman's average down. However, top scoring honors go to both men.

The Buccaneers' hitting this year exceeded that of the 1938 season in individual scores as well as team average. Lex Ridenhour led the Corsairs last year with a .415 record, followed closely by Smitty with .411. Hatem and Holland followed them with scores high in the "three-hundreds," and the rest of the squad made the 1938 team average .266. The Corsairs rang the bell at .300 for a squad average in the past season, getting 155 hits for 517 times at bat.

Gilbert's swashbuckling Marauders placed three men in the ".300" bracket this year with Hinton swatting the peller for .359, Mayo, .341, and Wells, an even .300.

The batting averages, together with the "times at bat" and "hits" of the players who have participated in three or more games are listed below:

Name	AB.	H.	Pct.
Smith	32	17	.531
Shelton	63	27	.426

Teco Echo Printers Win Two Awards

Edwards and Broughton Co., of Raleigh, printers of the Teco Echo have printed during the past year two publications that were awarded first honor ratings at the recent North Carolina Collegiate Press Association Convention.

Besides the Teco Echo, the other publication that received high honors was the *Pine and Thistle*, the quarterly magazine of Flora Macdonald College at Red Springs, N. C. This publication is gotten out by the Epsilon Chi and Zetesian Literary Societies of the college. During the past year Dorothy Brooks and Edythe Townsend have served as editor-in-chief and business manager respectively.

This is the second time in the past few years that several publications printed by Edwards and Broughton have received high honor ratings. In 1937 all three of the college papers which the publishers handled were awarded top honors in the national ratings of the Associated Collegiate Press.

by the Washington Senators, was conceded to have been the best collegiate pitcher in the state last year. Ayers, kept out all season by injuries sustained in an automobile accident last spring, supplied the catching end of the well-known Holland-Ayres battery which proved to be nemesis of so many collegiate batters for the Buccaneer competitors. The Corsair ship was also crippled by the partial loss of Kelly Martin, who missed several weeks due to injuries sustained on the mound; and Earl Smith, who held down an infirmary bed for a couple of weeks, and also worked out with the Greenville professionals toward the close of the schedule.

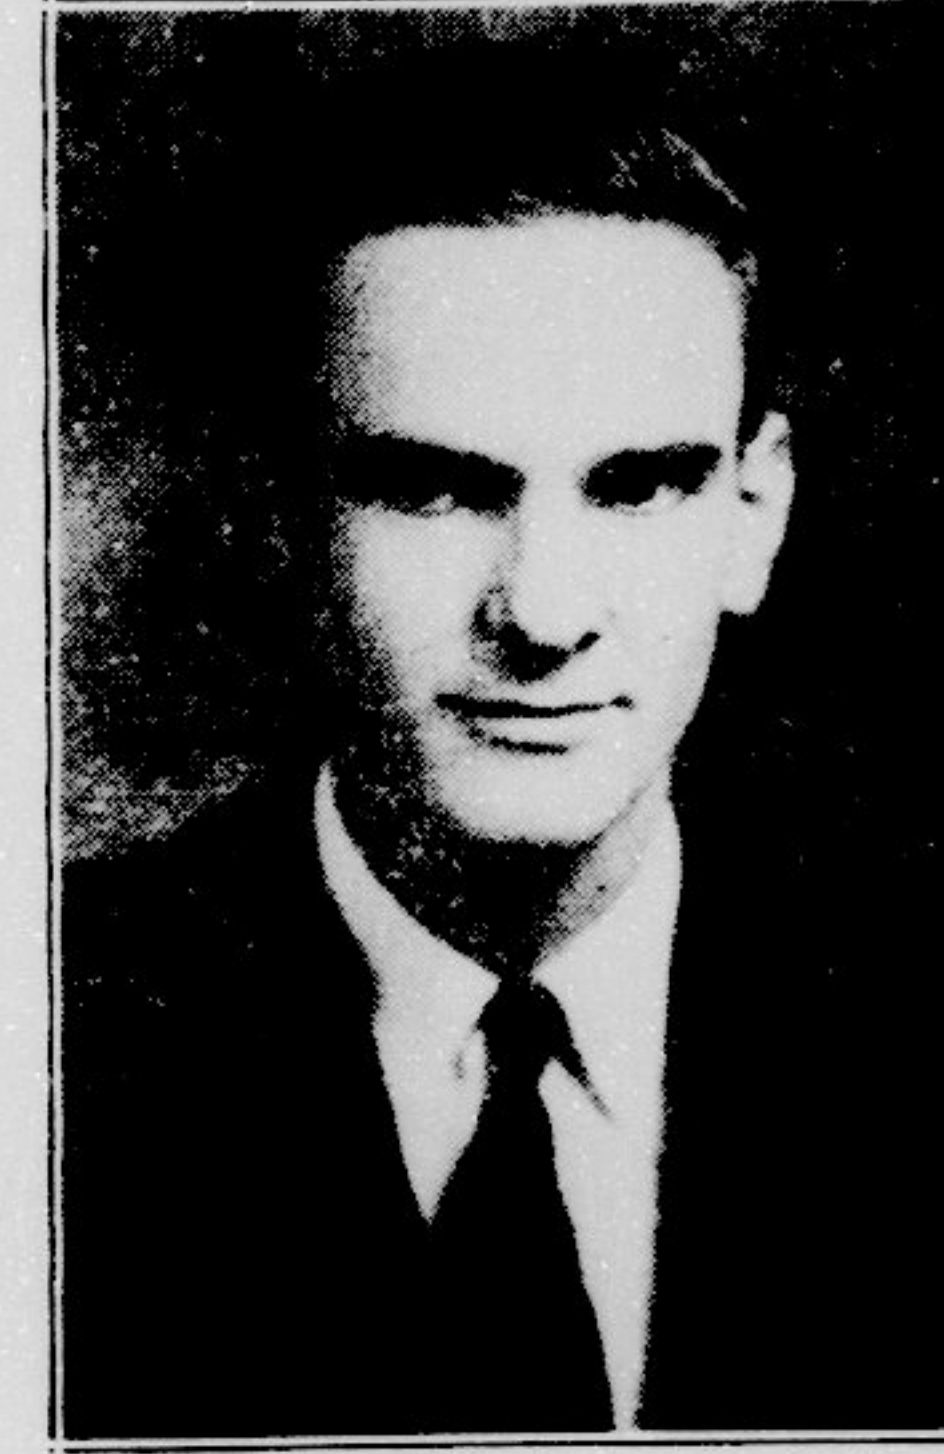

Of the Pirates' losses, probably the hardest to take was a bitter defeat at the hands of Atlantic Christian who turned tables on the locals in the final inning and changed a 5-8 loss into a 10-9 victory, to carry off the coveted and newly christened Bo-Hunk Trophy.

The Bucs' greatest victories were their landslides over High Point, 23-3, and William and Mary (N.D.), 14-1. Ed Wells' pitching stunt at Atlantic Christian topped the season's athletic thrills, when he hurled the elusive missile for twelve dizzy innings of an 8-8 tie and held the Bulldogs to 11 hits, shutting them out for nine frames.

Of Gilbert's rookies, Norman Mayo, from the coast, showed up best. His first year of collegiate ball, Mayo played a fine game in the outfield, and later filled a gap at third, batting a clean .341 for the season. Floyd Hinton did a beautiful piece of work when he stepped into the crippled Ayers' shoes to hold down home plate.

PICNIC

The senior history majors were delightfully entertained at a picnic given in their honor by the history faculty on Wednesday evening, May 3. The party left the college at 5:00 o'clock in a Ricks bus; their destination being an estate just outside of Winterville. Here they sang, played games and ate the delicious picnic supper of fried chicken, potato salad, pickles, rolls, drinks, and chess pies. Approximately twenty-five history majors were able to attend.
