

Homecoming, May Day; Tomorrow

Alumni Vets To Be Welcomed With Homecoming Celebration

On May 4, Home Coming Day for veterans will be celebrated at East Carolina Teachers College. The purpose of this occasion is; to welcome veterans to their alma mater, to entertain the veterans with a celebration on their day of home coming, and to foster the spirit of fellowship at the college.

Dr. Hubert C. Haynes, chairman of the program committee, has announced that the schedule of activities for the day begins with a concert by the E. C. T. C. band in the morning, and ends with a dance in the Wright Building in the evening.

The morning program will begin at 10:00 o'clock in the Wright Building with the registration of veterans and music by the college band. Following the introductory band music, the E. C. T. C. Woman's Chorus will render several vocal selections. Among the selections to be sung by the chorus are; a "Swiss Folk Song," and Jean Sibelius' "Onward, Ye Peoples."

Dr. Howard J. McGinnis, acting president, will deliver the official address of welcome to the visitors.

A number of band selections will conclude the morning program. The visitors will be served a barbecue luncheon on the back campus at 1:00 o'clock.

The afternoon program begins with a ball game at 2:30 o'clock; William and Mary playing E. C. T. C. on the Pirates' athletic field. Following the ball game, a May Day Crowning will take place on the campus lawn and Mary Young Bass of Enfield North Carolina, will be crowned Queen. A program of music and dances will be presented on the lawn before the May Queen and her maids.

In conclusion of the day's program the visitors are invited to make the revelry of their Home Coming Day complete by dancing in the evening to the music of Billy Cole and his orchestra. The dance will be held in the Wright Building, and will begin at 8:30 o'clock.

Senior Recital Presented By Mary B. Justus

Mary Blane Justus, soprano, appearing in her graduating recital on Thursday evening, May 2, gave a varied program of songs, which won enthusiastic applause from her audience. She shared honors with Dorothy Maynard, pianist, who was accompanist and who also played a group of piano solos.

Miss Justus' selections included the spectacular "Bell Song" from "Lakme," which was a favorite of the famous coloratura Galli-Curci. Other selections were Grieg's "I Love Thee," Novello's "The Little Damsel," Victor Herbert's "Italian Street Song," and Rachmaninoff's "To The Children."

Miss Justus' clear, high soprano voice was well suited to the numbers which she chose for her recital and received the approval which they deserved. She is a pupil of Dan E. Vornholt of the department of music.

Encores included Gershwin's popular "Summertime," Leon's "The Little China Figure," Charles' "When I Have Sung My Songs," and Malotte's beautiful version of the Lord's Prayer.

Miss Maynard's selections were well executed and played with feeling and understanding. Her group of solos included "Deux Arabesques," by Debussy; "Pavane (pour une infante defunte), by Ravel, and "Polka," op. 22 (from the ballet L'Age d'or) by Shostakovich. Miss Maynard is a pupil of Mrs. Eleanor Toll.

Officers of the Veterans Club at East Carolina Teachers College, who will take part in the Home Coming Day program for alumni veterans and men and women in service on Saturday, May 4, on the college campus are (left to right) Earl Sawyer of Jamesville, program chairman; Leslie Earl Sadler of Winterville, historian; Henry Harris of Greenville, treasurer; Jake Smith of Winterville, secretary; and (center back) Joe Williams of Greenville, president.

Attention Alumni

Don't forget June first is Alumni Day! Send your reservations to the Alumni Office by May 25th.

Alumni members of the Phi Sigma Pi Fraternity are invited to attend the Annual Founders Day Banquet at the Olde Towne Inn, Saturday evening at 6:30. Tickets are \$1.25 per plate and may be obtained from Dr. Flanagan anytime during the day or at the Olde Towne Inn from 5:30 until 6:00 o'clock. Please make reservations as soon as possible if you have not already done so.

ECTC Debators Win Five Rounds In National Event

ECTC was represented at the Grand National Forensic Tournament (under the auspices of the Strawberry Leaf Society) held at Mary Washington College for Women, of the University of Virginia, at Fredericksburg, Virginia, on April 18-20, 1946. All teams defeated the national intercollegiate debate topic: Resolved, That the United States should direct the foreign policy toward the establishment of free trade among the nations of the world.

Charles Long and Edward Bright (affirmative), and Gloria Butler and Joyce Strickland (negative), members of the Jarvis Forensic Debating Squad won five debates; two over King's College, one over University of Cincinnati, Wooster (Ohio), and Bridgewater (Va.).

Dr. M. N. Posey, advisor to the Jarvis Forensic Club, and the squad coach, accompanied the two teams. He served as judge of seven debates, Declaration and Response to Occasion contests. "The competition involved was strictly first-class national competition," said Dr. Posey.

The ECTC squad agreed that West Point Military Academy and Tulane University offered stiff competition on the national collegiate debate topic. Thirty-three teams represented the following colleges and universities:

Mary Young Bass To Be Crowned Queen At May Day Festivities

Mary Young Bass, popular student, a member of the Lanier Society, and Editor of the Teco Echo will be crowned May Queen at tomorrow's festivities. Mayor L. C. Marshall of Enfield is to reign as King.

The Annual Founders day Banquet of the Tau Chapter of the Phi Sigma Pi is to be held tomorrow evening at 6:30 at the Olde Towne Inn with over a hundred members and guest expected. There will be several alumni members present with their wives and guests. Active members will also have their lady guests present.

The program will consist of a welcome to alumni members and guests by John L. Johnson, president of the Tau Chapter, introduction of 1946-47 officers by Dr. Beecher Flanagan, sponsor and national historian, and incidental music with Miss Edna Corbett at the piano. Sam Strickland will render the invocation.

The program will not include speakers which is customary for the occasion because of the full program that has been planned for Veteran's Homecoming Day and the banquet will be informal since it is at such an early hour.

Retiring officers for the year are John L. Johnson, president; Lill Hart, vice-president; and John Charlton, secretary. Gordan Davis, Kenneth Frazzelle and Fountain Taylor were reelected to treasurer, historian and man Echoff who was assistant secretary passed into the secretary position.

The fraternity initiated nine new members into the Tau Chapter last Friday night in the "Y" Hut. The members were, George Garrett, William Craft, Lawrence Posey and Gene Gurganus of Greenville; Wallace Ausley, of Fuquay Springs; Jake Smith, of Williamston; William Council, of Durham; and Gilbert prucker, of Sacramento, California.

There are now forty-three active members and a total membership of 161 in the Tau Chapter of the Phi Sigma Pi.

ECTC Delegates Attend ACE Meet

Delegates were sent to state meetings of the Association for Childhood Education which were held in Greensboro and Durham, respectively, on Saturday, April 27.

At the state convention of the Association for Childhood Education at the Woman's College of the University in Greensboro, six students represented the local branch of the organization at the college here: Lucille Husketh of Kittrell, Frances Merritt of Goldsboro, Pearl Arnold of Dover, Jessie Love Carter of Fayetteville, Melba Garner of Newport, and Cornelia Mattocks of Maysville. Dora E. Coates, member of the faculty and an advisor of the college unit of the ACE, accompanied them.

Lucy Nulton of the college faculty led a panel discussion at the Greensboro meeting on the topic "Action for Children."

Stovall, Alma English, Yvonne Waters, Camilla Selby, Mary Wetson, Hilda Riley, Dorothy Powell, Ethleen Brown, Audrey Feezer, Peggy Burney, Violet Hobgood, Elsie McLawhorn, Mary Lou Daniel, Joan Winslow, Betty Register, Myrtle Peedin, Mary Williams, Thelma Jones, Mary Alice Gay, and Jessie Odom.

The May Day Committee is composed of the following: Faye Jessup, Marjorie Jones, Freda Candell, Audrey Mae, Elgia Scott, and Myra Boyce. The Queen will be entertained by dances; a waltz, a may pole dance, a jump rope routine, and another waltz. These will be given in her honor and will be concluded by the traditional May Pole Dance.

A formal dance will be given at Wright Building, Saturday evening at eight-thirty in honor of the Queen and the returning veterans who will be on our campus for the crowning of the Queen.

S.C.G. Convention Proves Great Success Here

The Southern Intercollegiate Association of Student Government, meeting on our campus, ended Saturday, April 27, a three-day convention which brought to the campus 60 delegates throughout the Southern States.

The opening session was held on Thursday afternoon at 5 o'clock in the auditorium of the New Classroom Building on the campus. Speakers included Jacqueline Parden of Farmville, Va., State Teachers College, president of the association; Mary Cameron Dixon of Wilmington, our retiring president of the student government organization; and Dr. Howard J. McGinnis.

Guest speakers who appeared on programs during the convention included Dr. Almont Lindsey, professor of American history at Mary Washington College for Women of the University and Dr. A. D. Frank, chairman of our social science department. Dr. Lindsey's address was on the topic "American Foreign Policy," and Dr. Frank discussed "Faculty Attitudes towards and Comments on, Student Government." Also present for the convention and acting as advisor to the group was C. G. Gordon Moss, of the Farmville, Va., State Teachers College.

Discussions led by officers of student government associations represented at the meeting made up a large part of the program. Those conducting forums were Felice Maurer, Sophie Newcomb College, New Orleans; Ann Carolyn Alison, Florida State College for Women, Tallahassee; Marjorie Christian, Sweet Briar College in Virginia, Jacqueline Britton, Winters College, Rock Hill, South Carolina; and Margaret Faulkner, Centre College, Danville, Kentucky.

Entertainment provided for delegates during their visit to our campus included an informal reception on Thursday evening in the parlors of the New Classroom Building and a banquet on Friday evening in the private dining rooms of the Olde Towne Inn in Greenville.

Colleges represented at the convention included: from North Carolina, East Carolina Teachers College, Queens, Duke, Meredith, Elon, and Salem; from Alabama, Huntingdon

Ruth M. Lassiter Heads Art Club 1946-47

The Art Club has elected officers for the 1946-47 term and will continue work during the coming year under the leadership of Ruth Muriel Lassiter as president and Miss Jean Lane of the art department as sponsor. Others chosen for office in the Art Club are Annie Belle Johnson, vice president; Maxie Henderson, secre-

tary; Ann Parker, treasurer; Joyce Strickland, publicity chairman; and Grace Johnson, chairman of the program committee.

Christine Gray, Helen Jones, and Omelia Monroe represented the YWCA of our campus at the YWCA Leadership Meeting in Durham on Saturday, April 28.

The meeting was held at the Community YWCA Center. "Building Our Atomic Age" was the theme of the conference. The conference was to help provide leadership training and program ideas alike for all the college YWCA's represented.

Tennis Courts Could Use A Little More Attention

For the next half year tennis is going to play a large part in the recreational activities of a sizeable portion of our student body.

However, with the E. C. T. C. courts in their present very poor condition of upkeep, it is doubtful if much more interest in tennis on this campus can be stimulated.

We definitely need our tennis courts kept in fine playing condition, and we respectfully ask the administration member responsible for such to help us out on the matter.

Shirts! Shorts! No Location! How Can We Find The Sun?

The purpose of this is to ask and to find out, if possible, why there is not a place available for taking sunbaths. It has been explained from several angles, but as yet no one seems to understand why a temporary place can not be fixed until a better one is built.

If the roof could be repaired at a low cost and the dangerously sides built up temporarily, that might take care of the roof. The equipment could be covered in a way that would ward off curious students, told

beforehand not to meddle.

Maybe these suggestions are not at all the right ones, but taking in the rays of the sun is a thing that is very much in demand during the spring and summer.

The majority of the students know that the inside courts between the wings of the dormitories are not the ideal places for sun baths, but now the Faculty council has passed the rule that a student wear the regular outfit they wear on the tennis courts.

What we ask is that something be done about getting a temporary place for taking sunbaths and later, if humanly possible, a permanent place that satisfies everyone and causes no conflict between the faculty and the students.

Welcome To Alumni Veterans

Dear Veteran Alumni:

We rejoice at your return to the campus of your Alma Mater. We are proud of you for the part you played in defending our homeland and the civilization of the world

This day is yours; may you enjoy it to the fullest in the fellowship of veterans, faculty, students and friends.

Sincerely, Howard J. McGinnis, Acting President

Dear Veterans:

It is indeed a Great pleasure to welcome veterans back to their school home on the campus of the college. We hope that you will feel this day is set apart to welcome you back to something that is a part of you and that you are a part of in thought, in action and in more complete living.

Sincerely, Chairman of Committee, Dr. Hubert C. Haynes.

Dear Friends:

For the members of the Teco Echo staff and on my own behalf, I extend a cordial welcome to all of you who are returning to the campus for another home coming day.

Would like also to say thanks for the letters and cards that you have sent. Keep them coming for we like to get them.

Enjoy yourself and let us know if we can help.

Sincerely, Joe Tew, Editor

Dear Friends:

On behalf of the Veterans Club and as one of your old classmates I wish to welcome you back to your old Alma Mater.

The program committee has a fine program set for you and I feel sure that you will enjoy the day. All members of the Veterans Club will be on hand to help you in every way possible, so don't fail to call on us.

Here's hoping that this home coming day will make up for the ones that you have missed.

I am looking forward to seeing you all. Sincerely, Joe Williams, President, Veterans Club.

Interest In Debating Sadly Lacking On Our Campus

Often, students in college lose sight of some of the most important phases of extra-curricular activities. Nothing is more important to a future teacher than the ability clearly and freely to express his ideas and thoughts.

A debating organization on our campus is essential for the well being of our school for several reasons. Its training value is tremendous; it serves as a sounding board for student ideas; and lastly serves the College in keeping ECTC on a par with some of the best schools in the nation in debating.

Greatly undermanned, the club has managed to send every year a squad into competition, and every year we have been a factor to reckon with in debating circles. We cannot play West Point in athletics but we can debate West Point. It would appear that such effort deserves more consideration from the student body than has been forthcoming

in the past. Much talent lies dormant within the student body, when it could be serving the individual and the school.

President Hutchins of the University of Chicago stated that of all the extra-curricular activities in which he engaged he ranked debating at the top for value received.

For the remainder of your life the benefits received in college debating will serve you. It is incumbent upon you seriously to investigate the possibilities that lie in it to you as a future teacher.

Cooperation! Yes!

This is not sentimentality; rather it is a statement of hard facts, which we, as responsible citizens of this country and members of ECTC must face.

Dr. McGinnis in a recent meeting stated that the military was ended, and now we have a war of ideals. Viewing both administration and student body of ECTC, one clearly sees that neither is properly discharging its duties in this war.

Recently, the administration pledged support to the student body and stated its desire for constructive cooperation. For the benefit of the students and the college, let us do everything within our power to make this cooperation possible.

Let us all take stock of ourselves and ask this question. Do we believe in tolerance, justice and open-mindedness? If we do believe in them, then lets show it. Put them into our action and deeds.

Service Men Should Be Treated Same As College Students

Recently, there has been much comment on the campus as to the rights of the serviceman visiting our college. It has been customary that they be allowed in all of the college dances free of charge.

Here before, the serviceman visiting here were a group who needed recreation, of which there was little—they needed someone to talk to because they were soon to enter the dark conflict of war.

Discipline in the armed forces has slackened to the point that many of the men no longer act like gentlemen. This is not to say that they still do not need recreation and a kind word, but it is saying that they should pay their way, along with the students, to our entertainments.

The program committee has a fine program set for you and I feel sure that you will enjoy the day. All members of the Veterans Club will be on hand to help you in every way possible, so don't fail to call on us.

While we are on the subject, the matter of dress may as well be brought up. When we have a semi-formal dance, the girls wear evening gowns, and they are beautiful in them.

Human Spirit, Man's Most Precious Gift

Most precious of all the elements on earth is human spirit. It is God's gift to every man—the meanest beggar in the streets, the king with countless rubies. No thief can steal it; rust or corrupt it. No despot scheme can wrest it from us.

That the soul is immaterial, as well as intelligent, is self-evident. Remaining unseen and undiscovered to the eyes and fingers of science, yet it exists within our earthly bodies, an intangible flame that flickers or burns steadily according to the faithfulness of its corporeal keeper.

Student Spotlight

Tall, brown-eyed Margaret Hall with that sparkling and invigorating personality is one of the well known students on campus. She may be found disappearing down to the tennis courts or just leaving the "Y" store, and—stopping her for an informal chat is almost impossible.

goes on around me," she explains, but her dislikes include narrow minded people, snakes (reptiles and otherwise), gossipers, and "roll-pennies."

Future plans? Margaret says, "As to the present I do not have the slightest idea as to what I will do, when I graduate. Probably be a secretary. Ahem!"

Margaret vows that she is a "man-hater," but with that twinkle in her eyes one never knows, does one?

A junior commerce and social science major, Margaret is working for a B. S. degree. Hailing from Woodsdale she adds, "Near Roxboro") she is often teased about her accent.

"Judge", as she is now nicknamed due to her office as chairman of the Women's Judiciary, has been very active in student activities. As a freshman, she was head of the W. A. A. cabinet and head of Wilson Hall.

"I am interested in almost anything that

powerless to seize the ethereal; they must turn away frustrated. And, though the shoulders sag beneath the press of worldly burden, inwardly that priceless pillar of incorporeal fire upholds our head and keeps our knees from buckling—but only for as long as we may choose to keep it fed.

Thereon hangs the spirit's immortality. Intelligent, invisible—yes, and immortal inasmuch as it never dies except it kills itself. While Faith and Will abide to nourish and protect it, no force on earth can extinguish the Divine blaze.

Stagnant Fish Pool Needs A Good Bath

There comes a time when necessity demands action, and that time has arrived for our beautiful but stagnant fish pool located in front of the Wright building. The pool used to be a good place to idle away a few minutes each day in the warm sun, but now you have to check the windage before taking a seat because of the foul odor.

Scumming

By The Keyhole Korrespondent

Margaret Person, we hear you're all mixed up along the love line. Whatza matter? can't you smooth that line out.

"Pick", we heard something about Anne D., liking your man. Can you verify this? You know that song—"I Had a Man."

It's been said that wedding bells are ringing for Leonard Earnest, but Peggy Burney seems to be making headway before the big "march" occurs.

Jesse Parker and Edith seems to be hitting it off O. K. lately. Here's hoping everything runs as smoothly at it has been.

"Little Bit" and James really make a cute couple these days, especially on the tennis courts.

We hear wedding bells are ringing for Alta Mae, but telephones are ringing for Nancy Wilson. Congrats to you both!

There seemed to have been a couple of long faces on campus from Saturday 'till Wednesday due to that trip to New York by Billy and Skinner. How 'bout it Cat and Mary George?

Grifton was the scene which united Glennie and her one and only! Congratulations!

Marie Whitehurst seemed to have had a

good time at the W. A. A. Dance.

Many a sad heart will be broken when "Shorty" Rogers leaves for the Army Tuesday—especially Suzie and Allene.

Even when it's cloudy there are stars in Sally Margaret's eyes. Could it be because of Freddy?

On Easter Monday we found Hennis Cooper wearing an orchid well supported by J. Hicks Corey!

Well, Martha Strawn, we hear that after you graduate you're going to start working for the F. B. I.

Well, "Shorty" Tyndall, it looks like you finally settled down to studying since all your efforts have been in vain lately.

Well, Ruth Baker, is your theme song "Kiss me Once, and Kiss Me Once Again, It's Been A Long, Long Time" . . . Yours is "I Understand."

C. O. Long, what is this stuff about your wife and dependents? You shouldn't hold out on us like that.

J. C. give us a combat story and tell the boys how you used to sleep out in the mud. Why is it that Charlie Giles has to string a rope down the center of the bed?

Nicky, have you received that letter from Germany yet? Some people are getting telephone calls, why don't you throw a hint? Margaret, we think that Leo is a mighty fine boy too.

You should have seen Milan rush out of the of the—up the sidewalk the other day when it started raining.

Adrian, Are you still visiting Jarvis—Don't we love spring.

Clark, that sho was a honey to go with that 1946 Buick.

Quote, Willie W., "I am a lady killer and it is killing me."

Allene, make up your mine—is it Linwood or Shorty?

We wonder if Freda is really in love. If so, with which one of those handsome men and why? California is a nice place.

Jane A., we hear your good-looking brother is discharged. Wonder why you don't give him the dope on E. C. T. C. We think he's mighty cute.

Mary M. and Charlie B. seem to be making quite a twosome these days. Beth, Jesse seemed mighty lonesome Easter week-end.

Kat and George, seemed to have been awful lonesome last week. Wonder why Billy and Skinner went to New York—could it be some glamour gal?

Frances, don't you know better than to break a date with a U. N. C. man even if Wake Forest does hold your interest? Richard Bailey has decided to settle down now—to at least three women.

John H., how did you like those educated student government gals. Henry Harris had more of them than his share.

Slack, how about that man of yours landing on the West Coast.

Wallace, give us the lowdown on that little girl that you have been escorting. Then there was Frazelle and Manning who takes over the dormitory phone for hours at a time.

There have been several girls making eyes at Garland Little. So far as we know he has stuck to pitching baseball.

Betty C. and Joe are seen together quite often, and George and Nell and Pie and Ann . . . this could go on for ever.

Around The Tennis Courts

It is good to see Leo and Doug out on the tennis courts again. Many of us love to play, but we always enjoy sitting on the side lines to watch a display of excellent tennis.

Has anyone noticed the improvement of Frances Freeman's tennis game. OK maybe you didn't see her come! Speaking of form, Oh, well, let's not speak about it—Form is to be watched and not spoken of.

Those sisters from Sanford know how to handle tennis rackets.

Ray W. must love the courts—to play with a broken finger, everyone loves to court through Ray.

Have you seen that thriller—that beautiful hunk of plunder from Hertford—the claimed he hadn't played any tennis before, but he learned quickly.

"Champ" Hudson met his doom last week when he met R. L. Shuford. Shuford let him win the first set—out and rat setup no doubt.

Margaret Hall and Leo Burks make a good doubles team, but Margaret, no one is mad at you, you do not have to duck behind the net so often. It might be safer at that—think I'll try it myself.

Just take a gander at Dr. Haynes' new tennis outfit.

The Battle girls are still sun tanning. Well, why don't you tan like Ann, or should I ask?

Mildred Jordan has found out, since she began teaching tennis, that her former tennis style was all wrong.

Willie Warner, Ruby, and Richard are seen on the lower tennis courts quite often. That Blond hair is beautiful Ruby.

Flora Dr. Oppelt returned to the tennis game last week—plays a pretty good game too.

Harry Jarvis and his dark glasses takes on all comers.

Peggy H., what was wrong with your thumb last week? More tape to you, by the way, are you singing, "It's Just the Monkey in Me?"

Karolyn, don't you hate that lab period that keeps you off the courts after four o'clock—Leon looked as if he was returning to 1941 form as he threw his racket against the fence, after two aces coming from Tom Cox. Leon, those rackets are hard to get and you might hit a post one of these days—Henry Harris and Evelyn Collins are two more regulars on the upper courts—Sue Lanier and George G. come out once in a while when George can find time away from his baseball—Charlie Bracken holds his paddle in the wrong hand, doesn't he?—By the way, if you need tennis balls, tennis rackets, rackets strung or just good tennis knowledge, see Leon Meadows. —Have you ever noticed how Charlie Giles plays to win —"On the Line is Out, Charlie?"

Mary G. hasn't been out very much for the past couple weeks. —Those lower courts are in pretty fair shape and you can always see a stream of players going down that way. —Charlie Bill takes a little time out from baseball once in awhile. —John Heath has one of the fastest serves that I

W. A. A. Sponsors Successful Dance

The Woman's Athletic Association sponsored the dance given in the evening of April 27 in the Wright Building. The decoration committee was headed by Carolyn Register who did a splendid job at making the gym look like a dance floor. The music was rendered by Bill Barnes and his orchestra from Tarboro. The figure was short and simple; so as not to take up much of the "Hep-Cats" time. Those taking part in the figure were: Carolyn Register with Ellis Bedsworth; Frances Sutton with Garland Bailey; Margaret Hall with Leo Burks, Jr.; Rita Dawson with Rodney Williams; Rachel Lee with C. G. Dawson; Evelyn Collins with Herbert Wilkerson; Daliah Adams with Arthur Jackson; Hilda Priest with Tom Davis; Faye Jessup with Joe Tew; Frances Ricks with Willie Warner; Helen Cameron with Billy Tucker; Marie Whitehurst with Eddie Franke; Suzie Edwards with Mitchell White; Gloria Bruce with William Craft; Dot Jones with Teet Beck; Mary George Isley with Shorty Rogers; and Cora Staley with J. C. Greene.

Softball Games To Get Back Into Full Swing

Rain, rain, and more rain. East Carolina Teachers College is noted for its rainstorms. Just plan to go out and play a little ball, and about halfway the game you can see it raining. Well, that's what has happened to the softball teams. Because of rain they have been unable for the last two weeks, but plan to start back this week. All the girls who are interested in coming out are urged to be out at the field every Monday, Wednesday and Friday night immediately after supper.

have yet seen. —Dr. Posey is spending so much time with his debators and garden that he can find little time for the courts. —James Briley is ready to take on anyone his size. The racket is about as tall as he is. —Joe Tew is still out plugging. —You people who have been so slow getting your WAA tournament matches off, please rush it up. A couple players are ready for the finals.

Basketball shoes are mighty rough on the tennis courts and tennis shoes can be had, you know.

Tom Cox certainly loves those lobs which are so effective. Sutton, did you learn to play badminton from your tennis game or vice-versa?

Don't forget, for tennis service, see Leon Meadows and here's to ya' until another issue.

Approximately 700 students left the campus for various points in North Carolina and neighboring states during the Easter holidays.

Students Back Your Ball Team

The student support of the national pastime on our campus has been very weak, so now is the time to start giving the Pirates some backing. We have a pretty good team and they are going to prove it as the month of May rolls around with nine games to be played.

The first of these meets will be a two game series with William and Mary of Norfolk on the third and fourth of May. Next, the diamond trodders go to Louisburg on the seventh for a return meet, and they hope to bring home another victory as they did in the first game. On the tenth the Pirates journey to Wilson to try their best to get the Bohunk Trophy away from the ACC collegians, who, to date are undefeated in college baseball. The Military Institute boys from Oak Ridge will be down here on the eleventh seeking another victory, but should go home disappointed. On the seventeenth and eighteenth the baseballers will be in Norfolk for a return two game series with William and Mary.

To top off the diamond season the Pirates play Campbell College here for their last home game on the 21st, and then go to Buies Creek for the final encounter of the '46 season with Campbell on their home grounds, the 25th.

That takes care of the baseball season except for the actual playing which you should be able to see. Come on out and show Coach Smith's appreciation that they have the student body behind them.

Male Population Hold First Smoker

The male population of ECTC got together Tuesday evening for their first "smoker" and general bull session. Through the smoke rings and lull in the cola dringing, "Champ" Hudson, new president of the M. A. A., arose and presented Dr. McGinnis to the group.

Dr. McGinnis invited Spence Hatley to the front and Spence led the boys in some old fashioned barber shop harmony, including such songs as, "I've Been Working on the Railroad," "Girl of My Dreams," and our own "Hail to Teacher's College."

Dr. McGinnis then gave to the boys a general outline of some good things that we can look forward to in the next year and the years to come.

Joe Williams, president of the Veterans Club, then introduced Dr. Slay, one of our oldest and best liked faculty members who is now Registrar and Dean of the college. Dr. Slay pointed out the advantages of a good athletic program.

President Doug Jones, of the Varsity Club arose and gave a blanket invitation to the male students to attend the Varsity Club dance which is to be given the last of May.

Floor discussions on several subjects were dispensed with; the smoke begin to thin out and the bull session was still going strong. It was decided that another meeting should be held later in the month, so that for the evening the boys could hasten to their favorite night time recreation spots.

Final registration figures for the spring quarter, released today by Dean R. J. Slay, show that the number of men students at the college has just missed tripling itself since April of last year. The total for 1946 is 138 men as compared with 47 for 1945.

Total enrollment now stands at 874. Last year at the same period the college had an enrollment of 803.

Pirates To Meet Wm. And Mary In Homecoming Game

To top off the Homecoming Day festivities as far as sports fans are concerned, the Pirates will meet the Norfolk Division of William and Mary in the second of a two game series on May 4th at 2:30 P. M. This game will be part of the entertainment planned for the Veterans and should prove to be a very exciting and interesting contest. Win or lose, you can be sure that both teams will be out there fighting hard to give the fans a good how on this special occasion. The first game of this series will be played on the third.

Coach Smith's Pirates have had a nice long rest since their trip west and the A. C. C. defeat, so they should be in top form for this encounter. The battery assignments will probably go to Garland Little with Wallace Ausley backing him up. Little's last mound stand was against the undefeated A. C. C. Bulldogs, when he held them to five hits, but was beat on errors. If any relief is needed, Smith has the Parker twins to call on for assistance. With East Carolina weather permitting, this meeting with William and Mary will highlight the Veterans Homecoming Day entertainment.

Coach Johnson Lays Groundwork For Football

Jimmy Johnson, former Iowa Seahawks star and new football mentor, met his prospective gridders for the first time at a smoker held at the college last Friday night.

Now doing graduate work at Carolina, Johnson brought along movies of past Tar Heel grid games and will lay the groundwork for the 1946 attack.

Present indications are pointing to a formidable Pirate eleven for next fall. Several outstanding candidates are now enrolled. Johnson plans to build a nucleus around a number of returning veterans.

The Teachers have not fielded a grid team since the unbeaten 1941 season and the return to competition will be ushered against leading small college elevens.

Sports Of All Kinds Come Back To E. C. T. C.

Tennis has been dominating the sports scene here for the past few weeks, and the number of contestants participating in the tournament sponsored by the Women's Athletic Association has shown that the competitive spirit among the students is most pleasingly high. The spectators seem to enjoy watching the contestants put forth their best efforts as they vie for the honor of winning the tournament, and their approval of the contests helps to spur the players on.

With the increase of male students so increases the trend toward organized athletics with the idea in mind of participating in intercollegiate competition. Last quarter we had a pretty good basketball team under the able direction of Coach Smith, and this quarter as most of the student body no doubt knows Smitty has produced a good baseball team. This ball club represents your school and mine, therefore it should be your desire and mine that we have a winning team; and a way to help make our team a winning team is to show those boys who represent your school that you are behind them. Let's keep a sharp look-out for the announcements of the ball games that are played here, and go out and yell for the "Home Team." They are doing their best, let's do our bit.

Winners in contests staged on Thursday, April 25, by the Eastern District of the North Carolina Debate Union were: affirmative team, Mary Lina Raper and Betty Ruth Chappel of Hertford; and negative team, Anne Williams and Richard Bowen of Rocky Mount.

Veteran's Club Invites Everyone To Attend Dance

The Veterans Club will sponsor a dance at East Carolina Teachers College on May 18. Notice of the scheduled dance has been heartily received at the college, and the event is doubly welcomed because of the spirit fostering its sponsorship. The proceeds from the dance will be used by the Veterans Club in the founding of an Athletic Scholarship at the college.

The Club's program committee has announced that negotiations are under way to secure the musical services of Bill Barnes and His Orchestra for this occasion.

The Veterans Club wishes to extend to everyone a cordial invitation to come to East Carolina Teachers on May 18, and enjoy an evening of dancing.

A. C. C. Ekes Out 5-3 Win Over E. C. T. C. Pirates

Combining five hits with four errors and two stolen bases, Atlantic Christian College eked out a 5-3 win over ECTC in a game played here on Tuesday, April 23. Thorn, pitching for ACC received sound support from his team mates; and, although he allowed only five hits, appeared no more effective on the mound than Little for ECTC. Both pitchers worked the full nine innings, each allowing five hits.

By timely hitting and costly errors on the part of ECTC, ACC scored two runs in the first, and one each in the third, fifth, and seventh, for a total of five.

The Pirates scored in the first on a long triple by leadoff man C. B. Moye, who crossed the plate on a wide throw to the infield. Little, who pitched excellent ball for ECTC, also showed effectiveness at the bat by opening the second inning with a long home run over the right field fence. ECTC's third run was scored in the eighth by James Parker.

Score by innings:
ECTC 110 000 010
ACC 201 010 100
ECTC, Little, Ausley; ACC, Thorn, Smith.

The Badminton tournament headed by Frances Bass is being held in the gym. Around ten girls are taking part to determine who is the best. All matches have been played off with the exception of the semi-finals, between Mary G. Hales and Frances Sutton. We hope to tell you who is the champ by the next time the paper comes out.

Winners in contests staged on Thursday, April 25, by the Eastern District of the North Carolina Debate Union were: affirmative team, Mary Lina Raper and Betty Ruth Chappel of Hertford; and negative team, Anne Williams and Richard Bowen of Rocky Mount.

Tennis Tournament Gets Underway

Regardless of the rainy weather we have been having lately, the girls and boys have done a good job of getting their matches off. In the Men's Singles Giles won over Bailey; Shuford over Hudson; and in the playoff, Giles won over Shuford. Mixed doubles; Bailey and Sutton over Giles and Register; Men's Doubles, Shuford and Giles over Hudson and Tew. The rest of the matches will be played in the near future and we'll let you know who is the champions of E. C. T. C. We regret to say that the girls are letting the boys beat them in playing off their matches. None of the girls singles have been played as yet. We know the courts have been wet, but the boys have played most of theirs off. Come on girls you can do better than that.

Campus Belles In May Day Court

ALUMNI NEWS

D. J., a senior, and May Day girl of 1945 too, hails from Selma. D. J. is majoring in English and history and expects she'll be teaching near Chapel Hill—she hopes.

When asked what her favorite food is, she answered with "most everything, I think."

D. J. likes to listen to music, collect poetry, sing (try—she says), swim, dance, and especially go yalces with her fellow. Her favorite song (lasting) is "Perfidia", and right now it is "In the Moon Mist"—course she likes them all really.

As for her love life it is all Carl... ring and all too. D. J. will probably be getting two degrees instead of just one and we all hope her the best of luck.

These past four years D. J. has been secretary of the Freshman class, treasurer of Poe Society, Council Representative, Vice President of Student Cooperative Council, on the Entertainment Committee, Who's Who, and a Senior Superlative—Best all round in the Senior Class.

Charlotte Elliot, who also graced our May Court last year, is a Senior and rooms in Wilson hall.

Since entering E. C. T. C. Charlotte has been a college marshall, a member of the Cotten House Committee, and Freshman Tecogan Representative.

Charlotte, who hails from Edenton a Home Economics and Science major.

Charlotte likes sports, music and—men of course! On the other hand, she strongly dislikes repulsive men, Science, and uneven skirts.

Ruth Baker, the girl with the laughing brown eyes, is a Junior from Rocky Mount. Just like many other people her favorite song is "When Day is Done."

When asked her favorite foods, Ruth promptly replied, "Fried chicken, oysters, and chocolate candy!"

We hear that Ruth's man is coming home soon—that must be the reason for the broad smile.

For three years Ruth has been very active. She has been a College Marshall, Secretary of Commerce Club, Vice President of Emerson Society, and Member of W. A. A. Cabinet.

Margaret Person, the girl with the pretty long hair is one of those slave Home Economics and Science Majors—more power to her!

Margaret did her practice teaching last quarter and is more than elrived that it is over. Her favorite pastimes are basketball, howling, swimming, and dancing. The song "Til the End of Time" holds top place with her.

Margaret kept quiet when asked about her love life, but we hear there's a deep secret somewhere.

During her four years in college, this Louisburg senior has been Treasurer of Student Cooperative Council, Vice President of Poe Society, Assistant Advisor of Y. W. C. A., College Marshall, Vice President of Junior Class, Secretary of Home Economics club—also President. She was also selected as one of the sixteen outstanding students for "Who's Who." Margaret also got the senior superlative, best leader.

Anne Dail is her name—you know—that cute brown haired Junior who rooms on East Wing Wilson. We always remember her with that striking smile and that "Ye ole B. T. O." hello! We also remember her well by her love for Kennansville—her home town—some place, she says.

The thing most outstanding about

Aine is that she is the only Geography major on Campus.

When asked about her favorite foods, Anne promptly said lemn pie. Playing bridge and dancing is another interest of Anne's. And just mention blonde men and she goes all up in the air. But Anne keeps insisting on being an old maid. Something must be done to change her mind!

"Clair de Lune" holds top place with Anne's hit parade.

During her life at E. C. T. C., Anne has been Vice President and President of Emerson Society, Cheerleader, member of Student Cooperative Council, member of the Canterbury Club, and a helpful worker on the annual.

Did you know that cute Margaret Nunn must be smart since she is a Home Economics and Science Major? She is doing practice teaching in Science at the high school this quarter and expects to graduate in June.

Margaret is from Kinston. She transferred from Coker College, Hartsville, S. C. when she was a sophomore and since then has been at E. C. T. C. She has been a member of the Poe Society, (Secretary this year) and also a member of the Girl's Tennis Team.

Her favorite pastimes are eating, especially shrimp. And also panning all week for "going home"—then again the next week-end. She likes everything in the sports line, but mainly swimming, tennis and basketball.

Attractive, brown-eyed, Pauline (Polly) Taylor, a physical education and commerce major from South Mills is one of those who finish four years in three. Her advice is, however, my three years at ECTC have been too short, leave summer school alone and make yours four." A college marshall and a member of various clubs and organizations, Polly has well earned her senior superlative—"friendliest."

Green convertibles—tall brunettes (preferably #2) with the name of "Jimmy"—residence, Norfolk rank highest as far as special interests are concerned. But dancing, tennis, eating, loafing (though the author doesn't see when she finds time for the latter), and going home every week-end are among her favorite pastimes.

Ranking tops as dislikes are short-hand ("Until I finish taking it"), asparagus, spare ribs and rainy weather.

Till the End of Time" is her favorite song. As far as food is concerned she will take fried chicken and strawberry shortcake anytime one cares to mention them. Her hobby? Collecting photographs. As yet, Polly is undecided whether to teach or to be a stenographer, but who knows?

Jean Roberson the tall brownette from Spring Hope, is a junior music and history major.

A member of the Glee Club and the Band, it is easy to understand that music is one of her special interests. She is also vice president of the incoming senior class.

She dislikes having people say "You can't be Joyce's twin." Her favorite foods are strawberries and angel food cake, but strangely enough she isn't fond of hot dogs. Ravel's "Pavane" and "Beyond the Blue Horizon" are her favorite songs. When asked about

her interests, she said, "People—both sexes—and learning to blow my patient trumpet."

Her graduation plans? "Its between going to graduate school and teaching public school music. However, "someone could change my mind."

The senior class superlative, "prettiest" aptly applies to Elna Powell, the senior Science and Social Science major from Denton.

She is interested in art and she also likes "sweet" music and that certain "You Know Who" answering to the name of "Bob". Dislikes? "Getting my feet wet." Her favorite foods strawberry shortcake and steak.

When asked about her plans after graduation, she said, "I don't know exactly—just work," but who knows?

Nora Lee Hinant, that attractive brownette from Pikeville is a junior Home Economics and Science major.

A member of the Publication Board, she is also business manager for the Tecogan. Fond of popular music, her favorite song is, "Oh, What It Seemed to Be." She likes attending movies, sewing and eating. Nora Lee takes a special interest in sports both spectating and participating in them. Her favorite food is fried chicken and her hobby is collecting ribbon.

Upon graduating she plans to teach and along that line leaves us with the reminder, "Always do your best."

Martha "Mot" Jefferson, the tall, blond with the sparkling personality who sings "Happy Birthday to You" in the dining hall is a senior social science and physical education major from Fountain. Upon graduation she plans to go into social case work.

Pertaining to the subject of graduation, she says, "I've been here so long that I've grown roots. Don't get me wrong, I think E. C. T. C. is fine, but a diploma is mighty appealing."

On the lighter side she finds "Heart and Soul" (sweet) and "That's What I Like About the South" (hot) favorites. She dislikes catty and sarcastic people, but thinks swimming, dancing, "boogie" and fun quite "all right". Remember that inseparable dance team "Mot" and Dave. They had all of our applause on the dance floor. Mot's special in the food line is sauerkraut. (No joke either.)

Noted for her work with the Chi Pi, she is also a member of various clubs. Fond of music, she makes a hobby of record collecting. Her other hobby is taking pictures, but when asked about special interests, she says, "I like music, people and in a different category—men!"

Reta, a transfer from Campbell, is ing. She comes from Dunn and says she can hardly wait to get back there.

Reta loves to eat, and she is especially crazy about "tater salad" and just food. Imagine her Home Economics will come in good there.

"Stardust" and "Begin the Begue" are her favorite songs. Her favorite pastime activities are swimming and basketball. As for men, she likes tall brunettes. Aso, Reta is very fond

of Panda bears.

Reta has served as a Secretary of the Science Club, W. A. A. Cabinet member, and has helped on many committees.

Her brothers, three, are her weak spots. She is mighty fond of them from the gleam in her eye when they were mentioned.

After Reta graduates she wants to work in a Chemical plant and we all hope her the best of luck.

Fay Jessup, one of those Seniors who's just counting the days now, comes from Tyner, N. C. She's a little of brunette, and just loves brunettes—Hm.

Fay is just crazy about food (E. C. T. C. style), but when it comes to what she craves, it is chocolate pie, please.

Fay's majoring in Home Economics and Science (boys, she lives in Fleming). In her spare time she likes to play the Saxophone and play ball and tennis.

In the past four years, among the many ways Fay has "helped out" she was Freshman Representative to the Cooperative Council, 2nd assistant Treasurer, on the W. A. A. Cabinet, in the Swing Band, and just oodles of Committees.

Alta Mae Thompson is a Senior from Goldsboro. She is a busy little girl who has just gotten engaged—diamond and all—that isn't the only reason she always looks happy though because she is just natured that way.

The lucky Man who she is engaged to is named "Wilbur."

Home Economics and Science are Alta Mae's Majors and she hopes to be teaching near possible to Chapel Hill. Fried chicken and strawberry shortcake head her list of favorite foods—course, to her all the stuff is good. Her favorite song is "Oh, What it Seemed to Be".

Alta Mae loves to dance, likes music, and she has a roommate who she likes to take care of.

She has been very active this "past past four long years," doing such things as marshall, Secretary of the Junior Class, Secretary of Lanier Society, was on the 1945 May Court, and Treasurer of Senior Class.

Erma is a senior from Pickville. She is a little girl who makes others happy by dropping etters in their mail box. Erma also helped beautify the May Court last year.

Erma likes food, but definetely, but chocolate cake and oysters are the No. 1 foods on her list.

Erma's favorite song is Night and Day". You can figure out for yourself

how "Night and Day" and John go together. John is Erma's man and men too, now.

Collecting picture post cards is Erma's hobby, but best of all she loves making friends, and she really has many.

During her four years at E. C. T. C., Erma has been President of the Lanier Society, Vice chairman of Woman's Judiciary, Chairman of Handbook Committee, Chief sponsor to the Phi Sigma Pi Fraternity, Who's Who, and Senior Superlative—Best dressed girl.

Erma is going to school next year too—only, she's going to teach the venth grade and we hope that it will be near Chapel Hill (quote).

Woody Hayes Booked For Junior-Senior Dance

Promising to be one of the most outstanding dances of the season, the Junior-Senior Dance will take place May 11, with Woody Hayes and his orchestra furnishing the music.

The theme of the dance will be "Stairway to the Stars". Mary George Isley heads the Decoration Committee; Maxie Henderson, Lighting; Mary E. Wooten, Refreshment; Nore Lee Hinant, Chaperone; Jean Roberson, Invitation and Mary Cameron Dixon, Figure.

The following officers of the senior and junior classes will take part in the figure: Seniors—Katie Earle Owen, Eleanor Booth, Barbara Brewer, Alta Mae Thompson, Sara Franck, Martha Mosely, and Doris Franck Juniors—John Charlton, Bootsie Jones, Dorothy Jones, Frances Lewis, Ruth Baker, Sally M. Johnston and Hannah R. Humbles.

Miss Mary Green is the senior class advisor and Dr. R. J. Slay and Dr. Karl V. Gilbert are the junior class advisors.

Dear Alumni:

You are cordially invited to return to the campus on Alumni Day, Saturday, June first. An interesting program is being arranged. If you are planning to attend, please make your reservations by May 25th.

Sincerely,
Ruth Garner
Alumni Secretary.

\$70.00 Collected In Tag Day Drive

Tag Day, conducted by the college chapter of Pi Omega Pi, business education fraternity, on Thursday, April 18, in order to raise funds for the Thomas Clay Williams Scholarship award, brought in a total of \$70.00. Two teams headed by Betty Joyce Kinlaw and Betty Cole sold white and blue tags to students and staff members during the day.

Much interest in the project was shown on the campus. First purchasers of tags were Dr. Howard J. McGinnis, and Dr. Elmer Browning. The blue team headed by Betty Joyce Kinlaw collected \$44.13, while the white team, with Betty Cole as captain, collected \$25.87.

Interest was aroused by the displays in the lobby of the dining hall.

Pi Omega Pi established the award last year in memory of Thomas Clay Williams of Greenville editor of the *Teco Echo*, and popular student in the business education department, who died in 1945. It is to be given annually to the student with the highest average in business education for four years' work. First winner, announced at commencement last spring was Clarine Johnson.

The amount collected on Tag Day will be used for this year's award, to be announced at commencement, and for a reserve fund, according to Audrey V. Dempsey, faculty sponsor of the fraternity.
