Dear Bro." I have been putting off
writing you for several days, thinking I could
write you some thing new about my leg.
Dr Agnew said last week, he would give it a
thorough examination, in regard to another
operation, and what the result would likely
be. but he has been called out of the City, and
and not returned yet. likely will be here tomor-
row. I am feeling quite well, walking
around with crutch & cane. Sarah is doing
fine. her Dr thinks another month will
make her well almost. Just got a letter from
Mother, they are all well. said maybe Father will
be down to see us, hope he may. I have the
generous offer you make us, we expect of course
with thankful hearts. You may send us as you
mention (\$50.00) any time between now and
the first of Dec." Its not convenient for me to

Draw on you, as I can not get out to any
Bank. I would like to sell you the Stone.
if not the whole, then $\frac{1}{2}$ of it for \$1,000)

Just recd a letter from W Sandon that there
was two men there, from Springfield Pa.
to Rent. They would give \$200.00 a year for two
years, with the privilege of five years, and wanted
the first chance of buying. they said they would
rather buy, if the Business suited them.
what do you think about it? answer as soon
as you get this please. Hope you and Ned
are well. are having very fine weather here.

Who is going to be the next President?
please write me, so I will not be held on suspense
so long? My faith is good for Hayes yet.

Travel if it is for us to get our healths again
(Some times it seems like it) Maybe we may spend
many happy hours together yet, in business
or social way. Great excitement in the City
here over election. I suppose no more so than
with you, write me before I write the Springfield
parties, Sarah sends her love to her Brothers.

Yours very Respectfully Bro. C. L. Van Dyke
