Bladen Co.

My dear Fisher

Enclosed find
commission as Lt. Col.

I wish I could find suitable words to express the high appreciation I have of your great kindness and liberality to me. But words are but empty air, even you will say I have been chary of them, but in my heart I do feel grateful. I like you, and the intercourse and friendship which has been so pleasant to me I trust will extend only with our lives.

Ever yours,

Fisher
