

Rocky Mount Mills Carded Cotton Yarns Rocky Mount, N.C.

January 28, 1941

Mr. Van S. Watson Sir Walter Hotel Raleigh, N. C.

Dear Van:

Edwards tells me that there are around 170 bales of your cotton that we can use, and if you want to deliver this to us we would be willing to stretch a point and pay you ll¢ for it. Of course it is understood that any cotton you send us that is not middling we would set to one side and you could dispose of it elsewhere.

If you care to take us up on this please let us know, but I would appreciate your keeping the matter confidential as we have not paid this high a price for any cotton yet.

Sincerely yours

Treasurer and Manager
