regard to their own publick engagements not to suffer any encroachments to be made by the Inhabitants of that Province which we have had the more reason to expect from them out of respect to her Majesty in whose behalfe that Land has along been claimed.

LETTER FROM COLL: HYDE DATED NORTH CAROLINA JANUARY 29th 1719.

I take this occasion to inform you that I have considered your letter, and am willing to putt to further Entrys on the North side of Wiccouse, till the meeting of the next Council the 12th of March, by which time I expect to have the Lords Proprietors Instructions to their Commissioners laid before us, and till then can give no further answer to that, reserving withall to the present Possessors and Claimers (by virtue of Entrys & Surveys) their rights which cannot with reason be slighted, because it hath always been taken with good reason, to be within this Government, and shall give orders accordingly. I shall press our Commissioners all in my power to forward the matter, so that they and yours may act in conjunction together, and I would persuade myselfe that you would not precipitate this affair, till our Commissioners join yours, and I have ground to conjecture that Mr Lawson has been or still is under some great disorder, or I should have received an answer to mine which was forthwith sent him upon my receipt of yours.

I shall always be glad to preserve a good understanding and correspondence betwixt the two Governments, and will never be wanting on my side to effect it in all things that I can answer to my Masters.

And the in comparison of Virginia ours is an infant Government I promise myself from your candour that no hardships be offered us, till the controverted bounds be fully determined. I am &c
