Dear Mrs. Johnson: -

I appreciate your letter of Oct. 31, and the information about Jacob McCotter born Apr. 12, 1809, died Oct. 1, 1887. His last old home stood a few miles north of Grifton, on highway 11, west side and not far from the Highway Commission marker for BLOUNT Hall. I knew well his descendants, Jake McCotter and R.C. McCotter at Grifton. The McCotters came originally from Paullico County. Some McCotters are now living in New Bern are related to him, I believe. I am glad you have a picture of him and his wife. These ought to be photo-copied for benefit of the McCotter descendants. I can get it done here at very reasonable price. Hope to hear from you again.

Yours, C. C. Ware C. C. WARE, CURATOR
