

## IN 1945, PEACE WASN'T THE ONLY THING AMERICANS BROUGHT TO EUROPE.

They also brought their cigarettes.

And soon the rich American blends had become popular

with Western Europeans, as well.

Somuch so that European cigarette manufacturers started importing the rich, flavorful U.S. leaf to accommodate their own customers' newly-acquired taste.

The very same thing also happened in Asia. And to this day, U.S. leaf remains an important part of European and Asian blends. Just as Monk remains an important supplier of U.S. leaf for those blends.

But today, in order to meet the total requirements of all our customers around the world, we are also major suppliers and processors of flue-cured and burley tobaccos from Korea, Italy, Brazil, Guatemala and other countries.

The tobacco industry has come a long way since 1945. And so, we're happy to say, have we. A.C. MONK & COMPANY, INC. FARMVILLE, N.C., U.S.A. MONK
