

All of us will remember this rendezvous, the first in fifty-one years. Alas it was too short.

So, we journey back to New Jersey, Massachusetts, Wisconsin, Washington D.C., Florida, Connecticut, Louisiana and California, and our homes, rocking chairs, pension checks, wives and families filled with memories of our ship, our war and our shipmates, both dead and alive.

I say to each of you, until then, shipmate, until then!

USS WISEMAN (DE-667)

Charleston, SC, March 17-20, 1994, was the location and time of the most recent reunion of the USS Wiseman (DE-667). The Wiseman served in WWII, the Korean War, and the Vietnam War, and they were all represented at the reunion in Charleston. A total of 31 crew members and mates showed up; the speaker for the Saturday night banquet, Syd Wright, came all the way from Petersburg, Alaska, to be with us. Syd served on the Wiseman in the Korean War.

Enclosed is a photograph of our crew at Charleston.

Next reunion is set for the spring of 1995 at Mackinac, Michigan.

We were saddened to learn just before the reunion that our World War II shipmate, Allvah Moore, F 1/c, had died quite suddenly.

With warmest good wishes,
Don Sterrett
