I Could Always Count On You...

**When I've come to you
For Love, You've given it...**

**When I've come for help,
you've opened up your heart...**

**You helped me see the
Brighter Side of every problem,**

**On rainy days, You've made
the sunshine start.**

**When I came to you for
Gentle understanding,
you have listened without
judging what you heard...**

**You gave me constant
reassurance and heard
far more than just the
Spoken Word...**

**When I came to you to Share
Triumphs, you showed me
Great Joy...**

**Your Love Will Always Be
a Constant Inspiration...**

I Miss You Both....
