

THE NATIONAL BANK OF COMMERCE
OF NORFOLK

ROBERT P. BEAMAN
VICE PRESIDENT

Jan. 2, 1921.

Dear Richard,

I was very glad to receive your letter and to know that you are still very much alive. I had not seen you in Norfolk for so long a time that I was beginning to wonder what had become of you.

As you suggested in your letter, I am enclosing herewith the clippings and letters which you

had so kindly sent to me. I found them most interesting, and wish to apologize for not having returned them to you at a much earlier date. Have you heard anything further from your little friend in Colmar-Berg or from Louise?

Did you know that Pete and I spent a short while in France this past summer? We took the trip on the spur of the moment, otherwise I would have communicated with you with the idea of making you join us. The trip was most pleasant,

and we found an automobile
trip through our old fighting
sectors especially interesting.
Much to our surprise, we
found our old positions and
dugouts in the Wever Sector
just as we left them after
the armistice. You and I
will have to take a trip
over there before very long. Pete
has disqualified Kinsey from
further consideration, so we
will not permit him to go
along.

I hope that you will
have occasion to come to
Rogers sometime in the very

Near future and that I will
have an opportunity to see
you and tell you all about
Frances. In the meantime,
drop me a line when you
get a chance.

With very Best wishes,

Yours,

Bob.

Pete has just returned from his
Wedding trip, and sends Best regards.
